The RMTc is an organization devoted to the use, preservation and enjoyment of Triumph automobiles; it is a Chapter of the Vintage Triumph Register. Although the majority of the approximately 140 memberships are from the Denver metro area, we have active members in Wyoming, New Mexico, South Dakota, Kansas, Virginia, Arizona and England! Each membership is a "family" membership and children are a frequent and welcome addition to the club activities.

Monthly general membership meetings are held on the **3rd Tuesday** (but skipped in January, June and December). They are held at **Piccolo's** at 3562 S. Monaco Parkway. It's about 1 block east of I-25 on Hampden, then 3/4 block S. on Monaco. Drinks and dinner at 6:00 PM, meeting at 7:00 PM and over by 9:00 PM

Monthly Board Meetings are held on the **first Monday** at the **Baker Street Pub** at 7260 W. Alaska Drive in Belmar. From 6:00 PM till about 9:00 PM.

Send Newsletter Material to Gordon Kenney via e-mail (as listed or at gordonkenney@comcast.net), telephone and fax to 303-766-7826 or mail to 16921 E. Fremont Ave, Foxfield, CO 80016. Deadline is usually the 24th of the month.

An electronic version of our newsletter is available—it's in full color and you get it about one week before the paper copy (use Adobe Acrobat to read and print it; it can be downloaded free from www.Adobe.com). Let Marietta know if you would like to be on this list; it saves the club about \$12/year per member if you don't receive the paper copy. The newsletter is placed on a web server and we email you the link so that you can download it at your convenience (it's about 800K pdf file).

Commercial Advertising is available in the newsletter ranging from \$5 for one month up to \$500 for a full page for one year. Contact Steve Hart, Minister of Publicity for more details

New Memberships and Renewals.

Contact Marietta Hughes, Membership, with change of address, phone number, e-mail or car in order to keep the membership records up to date. Let her know if you want to receive the newsletter by mail, e-mail or both.

Prime Ministers Letter

How's the air conditioning working in your triumph? July has been a hot month and so has the club activities. August looks like it will be another hot month. Thanks to all the club members that planned the events in July. Thanks to Dave Fain for being the coordinator of all the events. They have been well attended and have been great fun. The Trail Ridge Road event this last weekend was a beautiful drive through the mountains. We had a wide range of temperatures within an hours time. Lunch at the Brewery was another hot hit, even with the 150 Harley guys and gals that showed up.

The next HUGE event will be the 44th Annual Colorado Scottish Festival and the 17th Annual British Car Show put on by yours truly. We will be meeting at the Highlands Ranch Post office at 9:30 am. We will parade in at 10:00 am as a group; you and passenger will get free admission. The first 60 cars will get dash plaques and of course the Triumph's will lead. Bring your chairs and sunscreen.

Be sure to check the events calendar as there are many events planned in August and September. The first event in August will be on Wednesday, August 8th, not on the 1st weekend. Remember the General Car Club Meeting on August 21st.

See you all real Soon, Drive Safe.

Brooks

Last month the club gained six memberships and that is great news. While our Minister of Membership “keeps score” and lets us know how the membership count is doing, it is everyone's job to do those things that encourages new members. This includes a busy event schedule, regular meetings that are entertaining and interesting, a strong newsletter delivered in a timely fashion, regalia items available, an excellent web site with frequent e-mail updates and, probably most important in retaining new members, a friendly atmosphere that makes new members feel welcome. Hopefully many of the

new members we acquire this year will stay with us and become part of the “active core group” that keeps the club running.

For example, new member Sondra Cook took most of the photos used of the Trail Ridge Rd. trip and sent them to me early after the event.

Maybe some day we will get to the point where the club is strong enough to host a regional (or even a national) event.

Board Meeting July 2, 2007 @ Baker Street Pub

Prime Minister Brooks Turner opened the meeting at 7:00 p.m. Present: Lynette Kirkham, Terry & Marietta Hughes, Brooks Turner and guest Nancy Vogel, Dave Fain, Steve Hart, Gordon Kenney, Wally Gamble, Kitty & Andrew Janiesch, Tommy Topper.

Vice Prime Minister (Lynette Kirkham) 4 Triumphs in the parking lot!

Treasurer (Terry Hughes) Current bank statements have not arrived. New checks with the correct routing number have been received. Terry brought bank paperwork to add Lynette and Brooks as signers.

Minister of Letters (Kitty Janiesch) Marietta and Gordon turned in sign in sheets for the Spring Tune Up and the Pikes Peak Run. Thank you!

Membership (Marietta Hughes) Current Memberships = 136.

Events (Dave Fain) See Events Page for current information.

1. Pikes Peak Run – 5 cars drove from Denver, all but 1 made it to the top! Drove to Green Mtn. Falls and ate lunch at the Mucky Duck.

2. Gordon & Shirley Kenney, Andrew, & Kitty Janiesch and Dave attended Scott & Laura Augustine's new 4,500 sq. feet Garage Warming.

Regalia (Wallis Gamble) Received Sportsline invoice (\$431.73) for June Regalia order. Wally submitted to treasurer \$75 for raffle profits and \$100 from regalia sales. Need a volunteer to run August raffle and regalia sales while Wally will be out the state for most of August.

Newsletter Editor (Gordon Kenney) 1. Please remember the “timing” when submitting articles, information or photographs to the newsletter. All sub-

missions are welcome and needed and most photos may be utilized in the year end slideshow. However, your material may not be published in the newsletter if it is received a month or so after the event. 2. Requested a list of winners from Glenwood from the MG Club. 3. Announced Chris Paolino's purchase of TR6 and potential interest in becoming a member. 4. Suggested board considers subsidizing VTR registrations. 5. Submitted current newsletter invoice. 6. Question raised by Marietta as to why printed newsletter was mailed and received by members within the same time frame as the email versions. Marietta reminded board we publicize that a benefit of receiving the newsletter via email is getting it first.

Webmaster (Dave Fain) No Report.

Archives (Ken Kalin) Absent

Publicity (Steve Hart)

1. Waiting to hear back from Sportscar Craftsmen.
2. Contacted Applied Plastic Coating Wheat Ridge.
3. Dined with Austin Healy Club in Omaha, NE (all British car club) and contacted Her Majesty's Royal Nebraska Patrol (Flatwater British Car Club with approximately 100 members.) Requested that these clubs be placed on our email list, since they've indicated interested in attending Colorado British car club events.

Current Business (Brooks Turner)

1. MG club secured a different weekend in June 2008 for Glenwood Rallye, therefore eliminating any schedule conflict with our Father's Day Picnic.

Meeting Adjourned 8:10 p.m.

Respectfully Submitted,

Kitty Janiesch

Coming Events by David Fain

Monday, August 6th. RMTC Board Meeting

We have moved these to the **Baker Street Pub** located at 7260 W. Alaska Drive in Belmar (where Villa Italia Mall used to be). Drinks and dinner at 6:00PM, meeting begins promptly somewhere around 7:00PM. RMTC members are encouraged to drop in and see what goes on at one of our exciting board meetings.

Wednesday, August 8. The British Are Coming. The British Are Coming

And now for something completely different. Some of us have talked about doing this for several years so let's just do it. Gathering at the Hamburger Stand at 43 Union Blvd. in Lakewood on Wednesday nights for burgers and BS is a tradition with the local street rodders. Let's show up as a group and make them wonder "who are those annoying people in the funny little cars?". Actually a lot of street rodders used to own British cars or knew somebody who did but Asian cars are considered to be in poor taste. The Hamburger Stand is located on Union between 6th Avenue and Alameda. Take the Union exit off of 6th and go south. You can't miss it. Get there around 5:00 for the best parking place but you can show up any time. Tell them you drove your car and get a free soft drink. Things will start breaking up around 9:00. No burnouts in the parking lot, please. This is the August gaggle. The MGCC will be invited to participate.

Sunday, August 12th, Scottish Highlands Games

Brooks is the organizer for this event so let's be sure to show up and make the TR club proud. As usual, meet around 9:30 AM in the Highlands Ranch Post Office at the intersection of Lincoln, University and Quebec (just south of 470). We will drive in as a group at 10:00 for no charge so load your car up with people and come out. Plenty of food to purchase and perhaps some free whiskey to sample. Contact Brooks if you have questions.

Saturday, August 18. Moonlight Drive.

This will be the 13th Moonlight Drive and let's hope we get lucky and it doesn't rain (like it usually does). The Kenney's will provide either grill food (or a ham), plates, plastic ware, to get it started but it is a pot-luck so put something together (o'dourves, salad, entree, bread, chips, desserts, etc). No need to RSVP as we usually get a good mix of foods.

This year a garage visit a couple of houses away from the Kenney's is planned; Ivan has a replica gas station and 10-15 Fords of the 49-51 vintage. After dinner Rod will show slides from his recent trip to Nepal. Come around 6:00 pm, we will eat around 7-7:30, do the slide show at 9:00 and be done around 10.

As usual the main event is conversation and playing with the cars. You don't have to drive a Triumph to come and feel free to bring guests (bring a little extra food). Soft drinks will be available but anything else you want you should bring.

Call Gordon or Shirley if you have any questions (303-766-7826 or gordonkenney@comcast.net). To get there from the intersection of Parker Road and Arapahoe Road in SE metro area, go 3/4 mile east on Arapahoe Rd, then 3/4 mile S. on Buckley Road. They are at 16921 E. Fremont Ave.

Tuesday, August 21st RMTC Monthly Meeting

Meet at Piccolo's at 3562 S. Monaco Pkwy. which is south of Hampden and just east of I-25. Meet for drinks and dinner at 6:00PM. Meeting begins at 7:00PM.

Friday-Sunday, August 24-26. 20th Annual Gunnison Car Show.

This event gets bigger every year. Things get started with a cruise-in in downtown Gunnison from 5:00-9:00PM. Car show on Saturday at Jorgensen Park beginning at 8:00AM, followed by a poker run at 3:00PM. Breakfast run to Crested Butte on Sunday, leaving Gunnison at 8:00AM. Visit the web site at www.gunnisoncarclub.com for more details. Thanks to the efforts of RMTC member Fran Wickenhauser,

Coming In September: 2nd-Brunch at Wildflowers, 4th-Board Meeting, 8th-Front Range Air Show, 15 & 16 Ride the Rockies and Conclave, 18th-General Meeting at Piccolo's, 28-30-Rio Grande Regional Rendezvous in Los Alamos, NM.

July 8th, Highway Pick-Up

by Rod Tomkins

We had an excellent turnout for the Highway Cleanup, no less than 9 Triumphs and one 'furrin', but very nice Honda S2000. After a scenic drive up Golden Gate Canyon and along the Peak to Peak Highway we set to work at our appointed stretch.

After a count, "Quality Control" measures told us that we did an A- job, in that there were probably a couple of "special trash" items still remaining, which we did not return to find. Dave, you may not be too late yet this year. Post pickup we paused for a photo op then drove on to our picnic spot on the Middle fork of the St. Vrain, and a delightful spot it was too, shady under the cottonwoods with the sound and sight of rushing water nearby.

After lunch we had the presentation of special trash items, with this year's award going to Andy DeViss-

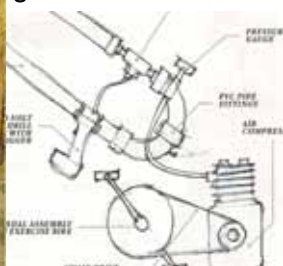

cher for his find of a portable phone which he "sold" us as being invaluable, this year's category being "Of Most Value to a Triumph Owner". He overlooked a few facts such as it was inoperable, and anyway would only operate within a couple of hundred feet of a base unit. But congrats to Andy. Some other "interesting" finds included a CD for use as an emergency flasher, and a crack pipe which Ken claimed he "found." After lunch, we returned from the cool of the mountains to the heat of the metro area, and for some of us, a torrential downpour to test the watertight feature of our cars.

Remember former club member Bill Llewelin?

He is featured in the July issue of Popular Mechanics for his mechanized spud gun.

The September 2007 issue of "Classic Motorsports" carries a "Work in Progress" column.

This month it features Paul Dierschow of Sports Car Craftsman.

The story and photo relate how Paul took a rubber-bumper MG B and converted to a metal bumper model including all of the changes associated with that model change.

It's a nice article about one of our people.

RMTC General Meeting July 17, 2007

Brooks opened the meeting at approximately 7:00 p. m. Twenty –two people attend July's RMTC General Mtg. At Piccolo's.

New members, Ralph Malewska, Les & Betsy Stern and their 2 children Jack and Dan attended as did Roger Baillargeon. Lynette Kirkham reported 4 Triumphs were parked in the parking lot. Terry Hughes reported \$6632.62 is in the Bank of Denver account and \$8713.04 is in the 1st Bank account. To date, the funds in the accounts have not been switched as planned, but will be soon. Marietta Hughes reported that we have 143 total memberships and that she has received 6 new memberships! New memberships are: Justin Crowley 1974 TR6, Chris Paulino 1971 TR6, Ross & Elaine 1970 GT6 and 1972 Spitfire, Joe & Judy D. 1961 TR3A, Audry 1980 TR7 and Les Stern who is looking for a TR3, and Ralph Malewska who purchased his TR6 from Mary Cohen.

Rod Tompkins shared the "dirty" details and sordid stories of the annual Highway Clean Up. Andrew DeVisscher found the best example of what every Triumph owner needs (a portable phone to call for help in an emergency) and won the traveling trash trophy. Dave Fain reviewed past and current events. Minister of Archives, Ken Kalin, reported that the 1996 June Newsletter listed the annual Highway Clean Up. It was mentioned that it is possible the 1st Highway Clean Up occurred in 1995. Also, the 2nd Moonlight Drive was listed in the 1996 newsletter.

Wallis Gamble conducted our monthly raffle. Gordon Kenney presented a fantastic slideshow of our 2007 Recent RMTC Events. The slideshow ended with a photo of the Kenney's new addition to their family, a 2007 Canary Yellow Corvette. Brooks adjourned the meeting at 8:15.

Respectfully Submitted,

Scott & Laura Augustine's Garage Warming by Gordon

On Sunday, July 1st, a few of us drove to the Black Forest NE of Colorado Springs to attend this "Garage Warming". And what a garage it is.

It's approximately 4,500 square feet, nice concrete floor, four post lift, plenty of skylights for natural lighting, ample artificial light if needed, heat when needed, lots of tools and space for spare parts, etc..

He has a wide variety of cars there including his TR-3, a 60's era Corvette, an older Chevy convertible, a Morris wagon, an Ampicar and a few others I didn't write down.

Drive Over Trail Ridge Road And Lunch in Estes Park July 22nd

by Gordon K. with most photos by new member Sondra Cook

The group met at 6th and Simms around 8:00; several had stopped for breakfast at nearby Dennys. We headed west on I-70, mixing with light Sunday morning traffic on a pleasantly cool morning.

Beyond Idaho Springs we took the turn-off toward Winter Park and worked our way up to Berthod Pass for our first stop.

TR-6's were driven by the members who organized the drive, Andy and Betty and Marietta and Terry. Mark Bosler also drove his TR6 and new members Ralph Malewska and Sondra Cook came on their first event in the TR-6 they recently purchased from Marty Cohen. New member David Bagby also showed up for his first event but was driving a MG-B. Jane Burdekin & Bill Reed drove the sole GT-6. TR4's and Spitfires were absent. Non Triumphs included Brooks and Nancy (and her daughter) in a SUV and Gordon & Shirley in their 2 door yellow Chevy.

Leaving Berthod we made a pit stop near Frazer, then on to Grand Lake and into the Rocky Mt. National Park. Traffic was moderate and we were stopped a couple of times for one lane stretches due to road construction.

continued on next page

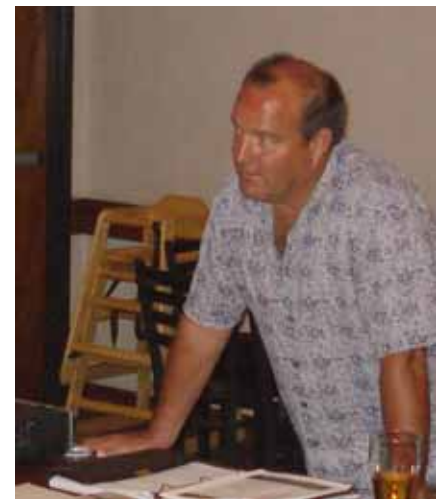

At one point a few Elk wandered across the road and they were a thrill to see. It rained a bit in the Park prompting some to put the top up. Then into Estes Park to the Microbrewery. We sat at a long table and the food was good but there were a couple of problem including shared checks. Luckily we beat a group of about 100 bikers into the restaurant or we might have been there all day.

It got very warm coming back from Estes Park with the air temperature reaching 100 degrees. But it was a fun day; nobody had car trouble and we all had a good time.

In the parking lot was a pair of unusual motorcycles. They were a new model made in Canada and called "Strykers". They are trikes with two wheels in FRONT and the driven one behind. They are on a national tour and will go on sale soon starting at about \$20,000.
