The Triumph Herald is published monthly by the:
ROCKY MOUNTAIN TRIUMPH CLUB
PO Box 300426
Denver, CO 80203-0426
Web Address: www.vtr.org/mntc

The RMTC is an organization devoted to the use, preservation and enjoyment of Triumph automobiles; it is a chapter of the *Vintage Triumph Register*. We have active members as close as in and around the Rocky Mountain region, to as far as England! Each membership is a "family" membership and children are welcome additions to club activities.

Regularly scheduled dinner meetings are held on the 3rd Tuesday of each month (except for January, June and December). These meetings start with dinner at 6:00PM, with business beginning at 7:00PM. They typically conclude prior to 9:00 PM. **Our current meeting place is Piccolo's at 3563 S. Monaco Parkway.**

Send Newsletter Material to Eric Conrad via e-mail conrade2@msn.com, or telephone 303-663-4230. Deadline is the weekend following the monthly meeting. I will accept digital pho-

tos in *.jpg format with the ideal resolution no more than 100 dpi with files no larger than 200-300k per photo.

An e-mail version of our newsletter is available—it's in full color and you get it about one week before the paper copy (use Adobe Acrobat to read and print it; it can be downloaded free from www.adobe.com/products/acrobat/readermain.html). Let Eric know if you would like to be on this list; it saves the club about \$20/year if you don't want the paper copy.

Commercial Advertising is available in the newsletter ranging from \$5 for one month up to \$500 for a full page for one year. Contact Brooks Turner for more details

New memberships (and renewals) are always welcome; contact Max Brewster. He can also tell you of changes of address or telephone numbers for members.

PRIME TIME

Ken Kalin — Prime Minister

Hi Everyone,

Here it is February, it's been rather cool, and not real conducive to top down driving. I sure am looking forward to some mid 70's weather that I hope will be here soon. Oh well I guess that the only thing we can do at this time is plan for this summer's events.

Looking at the past I hope all of you that attended the January Banquet enjoyed themselves, the food was tasty and plentiful, service great, and the overall venue was very nice. Once again thanks go to Bob Becwar for his work in arranging everything so it all went off without a hitch, and also to Gordon Kenney for his slide show. Congrats once again to Gordon for Member of the Year.

In the coming year I'm looking forward to working with our new board members, as well as the returning ones, some great events, gaggles, and drives. All the great food, drink, and friendship that goes along with these also, of course.

I look forward to seeing you at the next event.

Ken Kalin

The Vintage Triumph Register (VTR)

Members are encouraged to join this national Triumph organization. VTR member benefits include:

- quarterly magazine, "The Vintage Triumph"
- free classified advertising in "The English Channel"
- access to VTR's staff of vehicle consultants
- a VTR Member Travel Assistance Program
- a discount book service
- various VTR club regalia
- ability to attend national VTR meetings and conventions

To join, send \$30/year to: **VTR-E-New Membership**
PO Box 655 Howell, MI 48844-0655

Make checks payable to VTR. Send complete address and the year, model, commission number and condition (original, maintained, restored being restored, parts car) of your Triumph(s).

My goodness, but I'm late with the February newsletter. Life seems to throw detours this way lately. I began working on the March newsletter just prior to writing this letter, so we will be back on track with a the next newsletter out before the end of the first week in March. Please submit any and all information you want in the March newsletter **before** February 29th.

Due to time constraints, and space constraints, I'm choosing to sell my 1962 TR4 project as soon as possible. I can no longer keep the TR6 in the garage until the TR4 finds a new home. Please see the Marketplace Section for this and other current advertisements. Several club members have their cars and / or parts up for sale. Please take a look for any items you may need to stock up with in time for the "driving" season.

As this must be my last year of editing the newsletter until life calms down again, I mention again that any members expressing interest in this position will be welcomed with open arms. There is not a great deal of computer wizardry required, but some proficiency is a definite plus. If you are good with MS Word, I expect you would have an easy transition to today's publishing software. Take an opportunity to help out the RMTC by offering your services for a year or two.

Respectfully,

Eric

First off, let me apologize for missing last month's newsletter. It seems that when I have almost a month off from work my brain shuts down. I promise to try and not let it happen again.

As I have written earlier, 1986 is the first year that I have files for in the archives and it is very thin for that year. The Prime Minister was Al W. Mills III, Assistant Prime Minister was Chuck Castelluccio, Marcia Clark (I don't think the same O.J. prosecutor) was Minister of Letters, Terry McDaniel Minister of the Exchequer, and Jean Riley Minister of the Archives. There is only one newsletter in the archives for that year, the November issue. There is a report on the Halloween Party with 60 people in attendance. The Christmas Party was being held on December 6th at the Sterling Commons Club House on Parker road. The Monthly Meeting was to be held at Baby Doe's restaurant with a discussion on changing the elections to take place. It seems that in 1986 the elections were held at the beginning of spring. The proposal was to move the elections to January with the new board taking office in March. There were two additional proposals, one to allow existing officers to be eligible to be re-elected to the same or different office, and the other to lower the dues to \$20.00 per year for renewing members and \$25.00 for new members.

There were 5 new members and 2 renewals that month, none of which are in our current directory. John Lye and Terry McDaniel are the only people that are mentioned in that newsletter that are still in our directory. John now lives in Palmyra Virginia. I wonder if we should have a longevity award for them.

On another note (with tongue planted firmly in cheek lest I offend anyone). I realize that all of you are simply mesmerized by the sheer magnificence of my TR6 and Dave Fain's GT6 but please do not be intimidated by our fine automobiles and send Dave some pictures of your mounts so he can add them to the photo page of our website. I would love to see pictures of other member's cars filling the page.

RECENT EVENTS

January 3rd Breakfast Gaggle at 4G's By Bob Gloyd

It was a cold and snowy January morning when 15 hearty souls braved the elements to meet at the first gaggle of the year. The plan was to have breakfast at 4G's restaurant and help evaluate the possibility of moving the monthly meetings there. The food was very good, the service was very good, the fireplace was roaring and the group unanimously voted to recommend to the board that we try the restaurant for the monthly meeting. Although the planned group drive after breakfast was not held, everyone enjoyed the conversations and starting off the New Year with Triumph buddies.

January 17th Annual Banquet By Bob Becwar

The Annual Awards Banquet was held at Jillian's which is located in the new Colorado Mills Shopping complex in Lakewood. Saturday, January 17, turned out to be a very pleasant evening for the members that had to travel any distance. The banquet was held in the "Colorado Room". This is a beautiful, 2 level room capable of seating 100 people with a complete audio-visual set up. Has 2 fireplaces, that were glowing during our event to add to the cozy atmosphere.

On the menu was all you could eat prime-rib and a pasta bar, along with a few that ordered salmon. The club furnished a white decorated

sheet cake. Also had a liquor bar set up, with bottomless soda, coffee, and iced tea. Jillian's had 3 managers on duty

to make sure that our event was handled in a most professional manner.

We had 47 members attend the event, which filled up the bottom half of the Colorado Room. The upper half was used for pre-dinner conversation

and drinks, while viewing pictures of previous years events. After most of the members had finished their

meal, Gordon Kenney had assembled some excellent slides of 2003 events, which everyone thoroughly enjoyed. Thanks, Gordon, for another great program.

Around 8:30 Prime Minister Ken Kalin started handing out certificates of appreciation to various members for their contributions on events throughout 2003.

The "Member of the Year" plaque re-appeared and was awarded to Gordon Kenney for the year 2003. Max Brewster was the member of the year for 2002, however he did not have the plaque, so Gordon and Max will share the trophy for 2004.

By 10pm, things had pretty much wrapped up and members headed to their respective destinations.

Most of the 2003 and the 2004 Board members receiving atta-boys from our continuing Prime Minister Ken Kalin.

Saturday, March 6. Gaggle to Solo's Restaurant, Colorado Springs.

Solo's is an interesting place with an aviation theme and is located at 1664 N Newport Rd (one block east of Powers on Fountain Blvd.). We should be there when the restaurant opens at 11:00AM. The Denver group will meet at 9:00AM at the usual place behind the Gunther Toody's on Arapahoe Rd. just east of I-25 and will take an interesting route (weather permitting) to Colorado Springs. Solo's has a wide variety of food with prices ranging from about \$7.00 to around \$12.00. Please **RSVP** to Dave at 303 438-5615.

Tuesday, March 16th. RMTC Monthly Meeting. 4G's Restaurant.

We will meet at 4G's at 5950 S. Platte Canyon Rd. Dinner and drinks at 6:00PM, meeting begins promptly somewhere around 7:00PM. Visitors are welcome.

Saturday, March 27. Murder Mystery Dinner.

And now for something completely different. A bookstore in Broomfield sponsors monthly dinners that take place at several different locations around town where we will meet for an Agatha Christie experience and use our wits to solve a mystery. Cost will be \$30 per person and is a family oriented outing which will last from 5:00PM to around 10:00PM. Thanks to Vickie Kalin for thinking of this. You will definitely have to RSVP ahead of time for this one. Details next month.

April 9th—11th. Go Speed Racer

So are you thinking that you might want to try Vintage Racing? Maybe you just want to learn precision driving in your Triumph or

maybe even your Honda? Well here is your opportunity! The Rocky Mountain Vintage Racing's Annual Drivers School will be held on April 9-11 at Second Creek Raceway. For street cars, a Precision Driving Group will be offered allowing all driving enthusiasts the opportunity to improve their skills and see what vintage racing is all about.

To participate, your car must either be a factory hard top or be equipped with an approved roll bar. You must be a licensed driver 18 years of age or older and wear long pants, long sleeve shirt, driving gloves, and a Snell SA95 or newer brain bucket. Remember, your car insurance will not be valid while on the track. For more information contact Catie Davis (970 586-6366) or Betsey Krill (303 938-1600).

April 22-25. 2004 South Central VTR Regional, Norman, OK.

For those of you who aren't quite up to driving to the VTR National this year, this will be a good road trip. Several RMTC members are already planning to make the trip. The Central Oklahoma VTR is one of several clubs that takes turns hosting the event every year. More details will be available soon. Call Dave Fain for information.

Sunday, May 16. RMTC Spring Car Show.

We were happy with the way the 2003 show turned out at the Promenade Mall in Westminster so we decided to return there in 2004. Details soon.

June 11—13. 52nd Annual Rallye Glenwood Springs.

If you have any questions about the event, please call Alan Magnuson, MG Car Club, Rocky Mountain Centre

Sunday, June 20. Father's Day Picnic.

Location has not been confirmed yet but we hope to return to the Black Forest area near Colorado Springs.

November (sometime). Annual (?) RMTC Searchlight Rallye.

We had a lot of fun at the 2003 event so we are going to do it again. Details soon.

FUTURE EVENTS

Shelby American Collection: We haven't been there lately and several members have asked when we are going to do it again. The collection is constantly changing and there is always something new to see. They have the largest collection of Shelby Cobras, Mustangs, GT40's and other interesting Shelby stuff you will see anywhere in the world and it's right in Boulder.

Clive Cussler Collection: The response for a return visit to this incredible collection of classic cars belonging to author Clive Cussler has been overwhelming so we will try to get this set up as soon as possible. The collection is not open to the general public, but RMTC member Don Joy has some connections and may be able to get us into it again. If you have seen it, no explanation is necessary. If you haven't seen it, no explanation is possible. All those cars Dirk Pitt drives in the books are stored in a warehouse at a secret location in Arvada. Details soon.

BOARD MINUTES

January 5, 2004 Board Meeting at the 4 G's. Submitted by Marty Cohen

Ken Kalin called the meeting to order at 7:00 PM. Also present were Eric Conrad, Brooks Turner, Bob Gloyd, Tom Deats, Dave Fain, Dorthy and Tom High, Lanette Kirkham, Michele Dodson, Bob Becwar, Scott Keller, Marty Cohen, Gordon and Shirley Kenney, and Rod Tomkins.

Gordon said that he needs some pictures to round out his presentation of 2003 activities at the Banquet. Missing pictures are: "Ride the Rockies", "Breakfast at the Reeds", "the Conclave", "Lucas Flame-thrower Rally", and the "Colorado Springs Breakfast Gaggle". Anyone having pictures, please e-mail to Gordon ASAP. He will be running 2002 pictures at the Banquet during the dinner. Gordon has been elected President of the Rocky Mountain Jaguar Club. He invited RMTC members to join the RMJC visit to the Harry Mathews Car Collection on February 7.

Ken welcomed the new Board Members, Lanette, Michele and Scott. Bill Gillespie also has volunteered to the position of Minister of Publicity. Bob Gloyd need names so that he can prepare award documents for presentation at the Banquet. Eric will identify the awardees, prepare a list and e-mail it to the Board Members. Rimmer Brothers has sent a check for Ad payment. It has not yet been received. Dave covered upcoming events. Board Meetings and General Meetings will now be held at the 4 G's.

Eric reported that the January Newsletter is complete. Dorthy High will be mailing

it on January 6. Scott has received all of the Raffle and Regalia inventory from Andy DeVisscher. Eric suggested that we auction off surplus, such as VTR badges, on Ebay.

Bob Becwar presented a written Treasurer's Report for December 2003, which will be summarized in the February Newsletter. Expenditures exceeded Income for the year. The drop in membership accounted for nearly the entire shortfall. He will arrange with 4 G's for General Meetings for the balance of 2004. They will be told to plan on 25 to 30 people. Bob Gloyd will retrieve the RMTC Plaque from Piccolo's. Board meetings will continue to be on the first Monday of the month at the 4 G's. As of January 6, 35 people have signed up for the Banquet. Bob needs a final head count by January 12. We need to conduct a survey of members that we have lost during last year to identify the reasons for them not renewing. Ken will contact Max Brewster to get a list of non-renewing members. Bob also said that we should keep Raffle and Regalia financial reports separate. Tom Deats, who will be conducting a review of the 2003 financial records on January 17, will present written recommendations to improve Raffle and Regalia accounting. Scott needs the costs of inventory items so they can be given the appropriate markup.

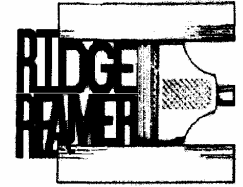

Marty reported that Gordon Kenney was the 2003 Member of the Year and Ken Kalin was the 2003 Board Member of the Year. Ken asked Marty to make the presentations at the Banquet. Scott was asked to obtain the award plaques to be presented to Gordon and Ken from Action

Awards. Brooks reported that we had received payment for all ads except the centerfold.

Ken will contact Max to determine the status of the 2004 Roster and to ensure that the new Bylaws are included. In the future we wish to include cell phone numbers. The renewal form should be revised to provide for cell phone numbers.

The meeting adjourned at 8:22 PM.
