Musings from the Gavel

Mid-year greetings! Here's an interesting fact: even though 6 months have passed, July 1st is not the mid-point of the year. The exact halfway point arrives on July 2nd at 1:00 pm BST (British Summer Time) in a non-leap year. Being a British car club, I thought we should know this!

Lots of THANK YOUS this month! Foremost, thank you to Terry Hughes for taking charge while I was on vacation. A big thanks goes to Andrej and his committee for a great Car Show and an all-around nice day at Baker Street Pub.

Thank you to Mark Bosler and Mike McGuire for the months of meetings and the many hours of planning that went into our 2nd appearance at the Ability Connection Colorado Show on June 11th. Although the weather forecast was 'miserably hot' it turned out to be a pleasant day. A big thank to Marla Otto, Ralph Malewska and new member Mark Jekot for stepping up to help Mark with the Club Judging. See more about the show below in the newsletter.

Last but certainly not least, thanks to Gordon and Shirley Kenney for not only hosting the Father's Day Picnic at their home, but hunting and gathering some very delicious pulled pork for the crowd.

Please be sure to check the Events Calendar as we have a busy summer ahead of us!

Let the good times roll!

Debbie

Board Meetings are held on the 1st Monday evening of each month at The New York Deli News, located at 7105 East Hampden Ave. in Denver. Dinner at 6pm, meeting begins at 7pm; all members are welcome.

In June and December, the meeting is held elsewhere as part another club event.

The Rocky Mountain Triumph Club LLC is devoted to the use, preservation and enjoyment of Triumph automobiles and is a chapter of the Vintage Triumph Register. Most members are from the Denver area and adjoining states. We promote "family" memberships, welcoming spouses and children to all club activities.

Highway Cleanup, Saturday, July 15, 2017

It's time for fun and games, and, oh yes, a little civic duty along the lines of some light cleaning up of Highway 119 above Rollinsville. Bring gloves and appropriate clothing for whatever Mother Nature throws our way. It is said, there is no such thing as bad weather, just bad clothing. Very stylish bright orange reflective vests and trash bags will be provided.

We will meet at the RTD Park N Ride at the Federal Center Station in Lakewood. The address is 11601 W 2nd Place. From W 6th Ave and Union, go south to 2nd Place, then east to the Park N Ride. We will meet at 8:45 am and depart at 9:00 am. A secondary meeting place will be at the entrance to Jefferson County Public Works which is about one quarter mile west on Golden Gate Canyon Rd from Highway 93 in Golden. Estimated meeting time there will be 9:20-9:30 am. We will then drive up Golden Gate Canyon to Highway 119 and on to our cleanup location above Rollinsville to perform our civic duty.

After the Highway Cleanup, we will gather for a group photograph of all the vehicles that participated in our annual event. Then, we will caravan off to a picnic lunch in the great outdoors at the Durstine cabin! Be sure to bring your picnic lunch and beverage of choice! We have a new trophy this year thanks to the diligent work of the tireless Rod Tomkins. I have received a sneak preview and as our British mates would say, "Brilliant Rod, brilliant". This year, our trophy will introduce the clubs "Most Valuable Environmental Specialist" on the new trophy. Question is, who is going to be the first member named on the new trophy? During the picnic, we will engage in the Highway Cleanup Challenge and prizes will be rewarded to those who find items left for the scavenger hunt along our cleanup route. Hope everyone can join us for this Environmental Project to keep our driving adventures beautiful to enjoy!

FOR SALE:

1979 Triumph Spitfire. Custom built and truly unique! Created in the 90's by a gentleman in the Austin, TX area about the same time the Grassroots Motorsports Ro-Spit was being built. The builder was actually in contact with the magazine at the time and received much support from them. However, he chose to make his car a fast road machine, rather than a track car. This car has all the Spitfire features (mainly, good looks), plus a Mazda 12A rotary engine (somewhat hopped up with porting and alloy flywheel...est. 190 HP/ 150 MPH) with dual side draft Mikuni carb with stock Mazda electronic ignition, RX7 5-speed gearbox, heavy duty clutch, Mazda limited slip diff, Mazda rear disc brakes (yes, this car has four wheel disc brakes!). Further enhancements include four-wheel Koni coil over independent suspension, (the ridiculous Spitfire transverse leaf spring suspension has been replaced with dual trailing arms), and an RX8 stainless steel exhaust (still pretty loud...sounds like a Hayabusa motorcycle!). No emissions controls so it cannot be registered in any county requiring emissions testing. Located in Denver. Open to reasonable offers. Asking Price \$9250 Amit Sudan 415.609.5900 amit.sudan@gmail.com

NEW FOR SALE: 1965 Triumph TR4A convertible - black. Purchased by Skip Wilson in 1985 from South Mitsubishi in Englewood. Driven daily to and from work, around town, British Conclave, etc. until late 2014 when he could no longer drive it. It's been sitting in the garage since then. Current Mileage 102,358. Maintained for first 8 years at Scotland Yard - do not have those records. Since 1993 maintained by Fred Hodgson at Auto Wizards. I have complete records - some highlights - Engine Rebuilt 2001 at 93,458 miles. Transmission rebuilt in 2002. Battery replaced 2013. Top replaced 1999. Asking \$10,000 negotiable. This car was my husband's baby. He wanted to be sure that it would go to someone who would care for it. That's more important than just the money. In the spirit of full disclosure, I wanted to show you the damage on the driver's side of the car. Skip had an altercation with a horse trailer and lost.

So what are you doing the 4th of July? How about a nice little run up to Buchanan Park, which is in Bergen Park, above Evergreen, which is where the Evergreen Music Festival takes place? The Festival features a number of bands like the Queen City Jazz Band, an Evergreen Festival Orchestra and Irish dancers who play approximately 45 minute sets under a big tent in the park. There are also food, beer, and crafts booths right there all very nice with green trees and and the foothills all around under a Colorado blue sky. Bring a chair and enjoy the sights and sounds.

Admission is \$10/person, BUT if you come in your LBC two people get in FREE, plus two drink tickets! You just need to register your car via the link. So let's do a little gaggle on the 4th. Meet at the Hampden and Wadsworth RTD Park and Ride at 9:30 (don't be late!) and we can go in together. Or you can come later and meet us there.

Call Rod at 303-906-3193 so I will know who and how many to expect at the Park and Ride.

RMTC BOARD MEETING - MONDAY JUNE 5, 2017

Present: Deb Bosler, Mark Bosler, Terry Hughes, Marla Otto, Jeff Otto, Kitty Janiesch, Arlene Bosh, Andrej Galins
Guests: Dave Bosh, Andrew Janiesch
Debbie called the meeting to order at 6:55 p.m.

BOARD REPORTS

Debbie- Advised LLC has been renewed. The club is paid and healthy. We are keeping minutes and all is in order.

Terry- provided the PM's corner write up for Debbie in May. Terry brought up again that the change in venue would need a private room that would be free for use. Whoever wants it needs to do the leg work and the Board would make the final decision. Piccolo's has an audio visual system that we use for slide shows, etc. and a cabinet that is locked. The projector that we use is shared by the Jaguar club so that needs to be kept in mind as well.

Marla – handed out P&L report.

Jeff- updated the calendar for added events and drives.

Kitty- We are sitting at 114 new members. We would have 121 if lapsed dues were paid. In the last two months we have added 7 new members. Kitty brought up a great suggestion that we do a new member mixer. Sharon said that we could use her house and the event would be done before cold weather sets in. Debbie and Arlene both said they would assist.

Mark-brought up that we have some bad canopies and they should be replaced.

Arlene-N/A

Andrej—said that our Spring Car Show brought in about \$540.00. Thought to expand the event to add another club which could add a different scope of cars.

There was discussion about the poster for our advertisers to permanently hang in their businesses. Suggestion was made to approach Hagerty about being an advertiser and/or hanging a poster. Debbie said she would investigate.

Discussion regarding an alternate space for the Board meeting. If we continue to do this, it would need to come east. Deb agreed to do a point of note in the July newsletter. Recruitment of new members is on board. We would like to see a nominating committee made up of volunteers to approach members to run for the Board offices.

Discussion around amending the By-laws to 2 votes per membership so there would be equal votes. Go back to the previous wording. Do we want to do away with write-ins on ballots for voting? Nominations will be done September and October. A motion to review the By-laws, votes per membership and write-ins made by Terry Hughes and seconded by Marla. Unanimous vote.

Debbie asked that we think about guidelines as to what to keep in the archive files.
The 50/50 raffle seemed to be successful and we will continue.

Meeting was adjourned at 8:05 p.m.

Respectfully submitted,
Arlene Bosh

Harriet the Herald is now enjoying life at the beach in LA. I now have Suzie the Spit - a 1969 MK3 round tail. Cody from LA and I swapped cars. He was looking for a Herald and wanted to trade his Spitfire. I was ready for a change. We were able to swap with the help of our friend Steve Hedke who brought the Spit out here and took Harriet to LA.

NEW MEMBER CORNER

Rick Wardell

My grandfather was police chief in the small town where we lived in western NY -a town of 600 people and 6000 cows. He would drive his squad car to our house, put me on his lap and we'd drive the back roads. I steered. I was hooked. I was 6 at the time.

From then on, I would keep my parents' Pontiacs (a Catalina and a Bonneville) spotless and drive them up and down our rather long driveway. My first car was a 66 GTO. Sure wish I had that now. After the GTO came a Karmann Ghia, then in 1971 a Triumph GT6. Since then, I have owned many TR6s. 6 I think. Early on, I used them as daily drivers but later (after daughter was born) always had a TR6 in the garage for play. We moved back to Denver last year after 20 years in Connecticut. I was TR-less. But found a beauty-all original with less than 20K miles oddly 18 miles from our home in Westport, CT. I had a buddy check it out and shipped it west. I went online to find clubs and services and here we are. I'd wax on about my wife's 63 Corvair but that's another story.
