Musings from the Gavel

The Rocky Mountain Triumph Club has big fun coming this month! Be sure to check out the Calendar for all the details so you don't miss anything.

Hopefully, lots of you had a chance to witness the solar eclipse! Even though Andrew Janiesch provided us with an 'eclipse' of our own at the August meeting, we went into 'The Path Of Totality' in Wyoming and one word says it all - AWESOME!!

This is also the month when we start our Board Election process. Gordon Kenney, Ralph Malewska and Mike MacGyver (no kidding, he can fix anything) have been working hard as our Nominating Committee and perhaps you have been contacted. Please give serious consideration to serving on the board because the club can't run itself. We will start taking nominations from the floor at the September 19th meeting and continue at the October meeting. Declinations must be in Arlene's hands by the close of the October meeting, in writing or by email.

I'll leave you with two thoughts for this month:

1. CONCLAVE - The purpose of the Colorado English Motoring Conclave is to further the operation, preservation and owner participation of the great British marques. **The condition of your car or bike is not important!** SO, BE THERE OR BE SQUARE!

2. Never underestimate the therapeutic power of driving fast and listening to very loud music!

Let the good times roll!

Debbie dbosler50@gmail.com

Board Meetings are held on the 1st Monday evening of each month at The New York Deli News, located at 7105 East Hampden Ave. in Denver. Dinner at 6pm, meeting begins at 7pm; all members are welcome.

General Membership Meetings are held on the 3rd Tuesday of the month at Piccolo's restaurant. We begin gathering at 6pm for drinks and dinner and start the meeting at 7pm. We present a program and conclude around 8:30. Piccolo's is located at 3562 S. Monaco Parkway (one block east of I-25 and one block south of Hampden). In June and December, the meeting is held elsewhere as part another club event.

The Rocky Mountain Triumph Club LLC is devoted to the use, preservation and enjoyment of Triumph automobiles and is a chapter of the Vintage Triumph Register. Most members are from the Denver area and adjoining states. We promote "family" memberships, welcoming spouses and children to all club activities.

Dear Debbi,

This email was now two weeks in the making because I got a bit busy when we returned from our vacation. At work and on Triumph Club business of course.

I like to tell you and your club mates that the evening that we spend together with you at your board meeting at the New Your Deli News was really perfect for us. We had a great time, learned a lot and most important you really made us feel at home. The way that you integrated us and made us feel as a part of your group was really exceptionally. Thank you!

Last week I was elected as one of our two new heads of the group. My colleague and I are right now thinking about the structure of our work and are actually considering one or two ideas that I picked up at your board meeting. I am curious to see what will work. Kitty gave me your clubs mail address and that night as soon as I could lay my hands on a couple of issues of our club magazine I will mail them to you.

As said we really enjoyed getting to know you and would love to keep in touch. If you or any of your club members travel to Europe in the future and have a chance to stop in Northern Germany please give us a call! It would be great to have such a meeting the on our side of the big pond.

Best regards from sunny Germany,

Karl and Julia

P.S. Julia would like to contact you on Facebook. She will send you a friendship request soon.

P.P.S. Please tell Brad that I will get in touch with him via e-mail as soon as time permits and then we will see how we can get him reconnected with his police friends here in Germany.

Good morning everyone,
I hope you are looking forward to the 34th Annual Colorado English Motoring Conclave. Yes 34 years! That is a long time and I have been on the committee all of that time and been the chairman for more years than I care to remember.
I have committed to the Chairmanship for the next two years at which time I will be 80. I'm not complaining, mind you, just a little slower. The rest of the committee is growing older also, which brings me to the subject of this letter:
If you enjoy the Conclave and want to see it continue we need your help. Please join us on the committee so you can carry on when I/we can't.

Please call me at 303-358-6860 and let's discuss it.
Gary George And the Conclave Committee

REED'S MOUNTAIN DRIVE/ANNIVERSARY CELEBRATION

On Saturday August 5th, 11 Triumphs and 2 "other" cars met at the Wooley Mammoth parking lot in Golden to drive the Lariat Loop. The Reeds lead the excursion up Lookout Mountain Road with stops at Buffalo Bill's Grave, Boettcher Mansion, the Hiwan Homestead in Evergreen and then into Morrison for lunch at the Red Rocks Grill. At each of the stops Brad gave a bit of history about the location and the famous people who were instrumental in founding these places. Once at Red Rocks Grill, the "surprise" was that 22 years ago, Brad and Liz were married. Gordon and Shirley Kenney and Terry Hughes were the only attendees who had also attended their wedding. Everyone enjoyed cake and ice cream at the end of the meal and sang Happy Anniversary to Brad and Liz. It was a great drive and some folks even learned something new about our great state of Colorado!!

TEAM OTTO PUTS TOGETHER ANOTHER GREAT MT. EVANS RUN

The drive to Mt Evans on Saturday, August 19th was spectacular. There were 11 cars that did the drive which included 5 from the Triumph Club, 3 Mg's, 2 Lotuses and a Fiat. The weather was beautiful and so was the drive. We met at Red Rocks and drove to the Mt Evans camp ground and each car could stop along the curvy road Mt Evans road or drive straight through. After the drive we had lunch at El Rancho in their back room. We had a great time getting to know each other while enjoying a great meal. It was a perfect outing. Thanks to all who participated.

RMTC NEW MEMBER MIXER

On Saturday, Aug 26th 25 members gathered at Sharon Robinson's home to celebrate our new members hosted by Kitty Janiesch & Sharon Robinson. New members, Michael & Linda Harris from Aurora, Tom Wilson & Jill Gomez from Golden and Warren & Melodie Cropp from Erie were able to attend.

Great appetizers and beverages kicked off this event! Lots of conversations and laughs were had around the beautiful table settings. Mark Bosler & Steve Girkins manned the grill. Sharon provided wonderful salads and side dishes and Debbie Bosler brought 3 delicious homemade desserts. Throughout the night there was a friendly competition of a word game. Everyone was asked to spell as many words only using the letters from "Rocky Mountain Triumph Club." The Harris' won with 153 words and Jill Gomez came in second with 133 words. Sharon & Kitty would like to thank everyone who was able to attend.

Proposed Change to RMTC, LLC Bylaws

The Board has voted to change the voting rules in our Club elections - basically back to the way they were written before 2016. This was presented at the July General Meeting. There was a question at the August General Meeting about the change that was presented in July and published in the August newsletter versus an extra phrase that was inadvertently in the July Board Meeting minutes. The vote was tabled and the change will be voted on at the September General Meeting.

Article III Membership Section 1 a

Current:

a. Active membership requires annual dues for each membership, the amount to be determined by the Board at any board meeting. Each membership shall be limited to one vote in any election, except for family members individually elected to Board positions (for Board votes only).

Change to:

a. Active membership requires annual dues for each membership, the amount to be determined by the Board at any board meeting. Each household membership shall be limited to two votes in any election.

***IMPORTANT** - We can have a brief discussion before we vote but I need to know if you want floor time so our meeting time can be managed. Thank you.

Hello,

I recently inherited a 1951 Triumph Renown. I am thinking of selling it. I thought I would reach out to your car club to see if you would be so kind as to lend some advice.

First of all, I am not sure where to list the car for sell. I am just 2.5 hours north of Kansas City in Malvern, IA. I would prefer to find a 'somewhat' local buyer, of course. Though I know that might be hard. I also am unfamiliar with these old British cars and therefore not certain of the value.

Do you know where these cars tend to fall in value?

"Moe" as my stepfather called him, was purchased from Great Britain. He is in good running condition. Calvin had all the chrome restored, though it can use some polishing. Everything is original as far as my mother knows. There are some cosmetic issues with the interior. I do not know how minor or major any problems are as I am not a "car person". Any advice you would be willing to lend this novice would be greatly appreciated!

Also, if you happen to know someone in the market to buy a regal car like this, please pass along my contact information!

Thank you again so much for your help. I feel a little overwhelmed with the situation!

FOR SALE:

1979 Triumph Spitfire. Custom built and truly unique! Created in the 90's by a gentleman in the Austin, TX area about the same time the Grassroots Motorsports Ro-Spit was being built. The builder was actually in contact with the magazine at the time and received much support from them. However, he chose to make his car a fast road machine, rather than a track car. This car has all the Spitfire features (mainly, good looks), plus a Mazda 12A rotary engine (somewhat hopped up with porting and alloy flywheel...est. 190 HP/ 150 MPH) with dual side draft Mikuni carb with stock Mazda electronic ignition, RX7 5-speed gearbox, heavy duty clutch, Mazda limited slip diff, Mazda rear disc brakes (yes, this car has four wheel disc brakes!). Further enhancements include four-wheel Koni coil over independent suspension, (the ridiculous Spitfire transverse leaf spring suspension has been replaced with dual trailing arms), and an RX8 stainless steel exhaust (still pretty loud...sounds like a Hayabusa motorcycle!). No emissions controls so it cannot be registered in any county requiring emissions testing. Located in Denver. Open to reasonable offers. 1976 Triumph Spitfire 1500, 61,000 miles. I have worked on this car alot over the last 17 years, driven it very little. Less than 1000 miles on the following: Professionally rebuilt higher performance engine, 4 carb PRI setup, headers, monza exhaust, HD 3 row radiator, additional electric fan. Replaced brakes, master and slave cylinders, clutch, shocks, fuel tank, bushings, bearings, seals, tires, etc. Rebuilt differential, HD starter, HD rear spring, needs some TLC aesthetically. Original soft top, original pimento paint, body ok, minor dings & scratches, original upholstery & carpet, needs body seals. \$5500.

Tom, 970-216-4501. Grand Junction, CO.

FOR SALE: 1965 Triumph TR4A convertible - black. Purchased by Skip Wilson in 1985 from South Mitsubishi in Englewood. Driven daily to and from work, around town, British Conclave, etc. until late 2014 when he could no longer drive it. It's been sitting in the garage since then. Current Mileage 102,358. Maintained for first 8 years at Scotland Yard - do not have those records. Since 1993 maintained by Fred Hodgson at Auto Wizards. I have complete records - some highlights - Engine Rebuilt 2001 at 93,458 miles. Transmission rebuilt in 2002. Battery replaced 2013. Top replaced 1999. Asking \$10,000 negotiable. This car was my husband's baby. He wanted to be sure that it would go to someone who would care for it. That's more important than just the money. In the spirit of full disclosure, I wanted to show you the damage on the driver's side of the car. Skip had an altercation with a horse trailer and lost.

Thank you, Pauline Wilson. pauline266@comcast.net 303-745-7860

NEW FOR SALE: 1973 Triumph TR6 stripped body shell with almost NO RUST! This car was being built as a vintage racer, but the project was abandoned. We are working on getting the title, BUT THAT MAY NOT HAPPEN, so it is listed AS IS. Based on the original body #'s, this appears to be a 1973 shell, which is perfect for a restoration on a 1973-1976. Shell was media blasted a while ago, NOT fully primered, so what you see is what you get! It was put in storage shortly after. There is some LIGHT SURFACE RUST and OXIDATION, but no rust/rot thru! This body shell is in EXCELLENT condition.....there are a few PROFESSIONALLY DONE rust repair patches, looks like the passenger floor pan has been replaced, perhaps a few more but not apparent, and no apparent crash damage! The shell has a few modifications, but nothing on the body shell itself that can't be reversed back to stock. Unfortunately, the doors have been CUT OUT on the inside, and the top door glass channels welded closed, so they are race only. The hood obviously has louvers, but they are nicely done. There are a few factory "holes", i.e. the original fuel filler hole, that have had metal panels RIVETED in, so an easy fix back to stock. Three fenders are EXCELLENT, appear to be rust free! The left fender was never finished, and has a dent that was pounded out, but again, not finished. The trunk lid is EXCELLENT. It would cost you \$5000++++ to have a rusty and/or damaged body shell to be PROPERLY restored to this condition!! This is a STEAL!!!! The car is currently bolted to the frame, but the frame is NOT INCLUDED WITH THE BODY. More pictures available, or call to set up an appointment to see it!! Body shell is located in ARVADA. \$1500. Call or text TJ at 269-598-5836 or call M-F 9am-5PM 720-542-3762.

RMTC BOARD MEETING

MONDAY AUGUST 7TH, 2017

Present: Debbie Bosler, Mark Bosler, Terry Hughes, Marla Otto, Kitty Janiesch, Andrew Janiesch, Arlene Bosh
Guests: Dave Bosh
Meeting was called to order at 7:00 P.M.

BOARD REPORTS

Andrew – recapped the Reeds Lariat Loop drive. Next activity is the Extreme Auto Show in Parker on 8/12, followed by the Mt Evans Drive and Lunch on 8/19. We have the Ride the Rockies coming up and the Hughes BBQ, plus the Conclave. Andrew was going to get necessary information to Andrej so he could do a blast.

Marla – handed out P&L report.

Kitty- We are sitting at 117 members. She brought up the name tags and that replacements are \$5.00. Remind our new members that the gratuity at Piccolo's is included in the price of dinner. We also have a guest speaker slated for our September General Meeting-Racer from Bandimere. Should be another great meeting!

Mark-Guest speaker for August General Meeting is Man Cave Mike.

Arlene-n/a.

We had discussion regarding the posters that Andrej had presented that would be given to our vendors to display in addition to newsletters. Suggestions made on color changes for background or on the car depiction. Suggested that possibly the year be changed on the car to a TR-6.

New member mixer – Kitty asked if we had a budget for it. Sharon and Kitty are thinking that brats, burgers and some veggie platters and cheese and crackers are what will be served. Kitty sent personal invites to our new members. She thought that the mixer would run \$100.00 or less. Board did not have any problem with this.

Deb – asked Andrej to add Karl Ritter for our newsletter. Mark said he could send Karl a PDF file to him as well. Events- Procedures: who handles what? (Alerts, etc.) Andrew's name needs to go back in with officers on the Board since inquiries are made on events at times. Arlene volunteered to help Andrew with a reformat of our calendar to possibly include a white board presentation at each General Meeting so our members have a visual guide. We will continue to discuss and dissect.

Sponsored vs other events: Terry presented a suggestion to look at the calendar for next year and add our recurring events, such as Conclave, Father's Day BBQ, Oktoberfest. We agreed that there needed to be some continuity.

Planning an event on the first Sunday of each month was brought up again (such as breakfast meet). Our goal is to how best to keep our members informed of our club sponsored events as well as other events without having to do 2 calendars. Sponsored events are considered those that the members of our club organize—such as Mt. Evans Drive, Father's Day BBQ and are not organized by another club (such as CCCC) and that our members attend.

The sign in book should just be for club sponsored events. The Challenge that Mark Bosler and Rod Tompkins are heading up will not have any member of the year point assignment made to it.

Alerts (aka "Blasts) will not go out for events unless the organizer asks for it.

Discussion on want-ads in newsletter: Charging vs not and time limits on ads.

Policy: For member and non-members. No charge for 3 months; allow 1 photo per ad per item. Maximum of 50 words and 1 photo. Person who runs the add will need to keep track of this.

Discussion on write-in candidate on ballot: There is currently nothing in bylaws for a write in. There is a provision for voting someone in but no write in.

Conclave - went over what was needed for this. Canopies, folding tables, buckets with tie downs filled with sand or water. Flagpoles and clipboards.

Meeting was adjourned at 8:20.

Respectfully submitted,
Arlene Bosh
