## Musings from the Gavel

The month of May is named for Maia, the Greek goddess of fertility, and the United Kingdom celebrates May as National Smile Month. Holidays coming up this month include May Day, Cinco de Mayo, Mother's Day, and Memorial Day. These are the ones that we are most familiar with. Let's not forget the reason for the existence of Memorial Day - a solemn day of remembrance for everyone who has died serving in the American Armed Forces. Don't forget to thank a Vet!

I like to think of May as the official beginning of driving season for those of us with small, old, British cars but this year we could have driven our Triumph's on any given day since January. This brings me to the Driving Challenge! If you haven't already decided to participate, please give it some serious thought. It's fun and you always have a destination (of sorts) for a drive when there isn't a Club drive on the calendar.

The Spring Car Show is coming up on Saturday, June 3rd. Look for information in this newsletter and watch for email alerts.

Last and most important of all; Vice-Prime Minister Terry Hughes will be in charge until I return on May 20.

I'll leave you with a quote that will hopefully carry you through the Challenge and the rest of 2017: *"Some days nothing beats a really good drive."* ~ Author Unknown

Let the good times roll!

Debbie

## Colorado Concours d'Elegance & Exotic Sports Car Show

Ability Connection Colorado's Annual Colorado Concours d' Elegance and Exotic Sports Car Show, one of the premiere car shows in the Rocky Mountain Region, is being held on **Sunday June 11, 2017** from 9:00 AM to 3:00 PM at Arapahoe Community College, 5900 South Santa Fe Drive, Littleton, CO. The Colorado Concours is an annual event showcasing nearly 500 rare sports and classic cars, early collectibles and the latest exotics provided by local and regional car clubs.

Proceeds from this spectacular event go to Ability Connection Colorado's Creative Options for Early Childhood Education Centers. The education centers provide early care, intervention, prevention, support and education services to at-risk Colorado families and nearly 700 infants, toddlers and pre-school children each year. Children receive developmental screenings and assessment services, individualized mental health services and other services tailored specifically to their learning.

This is the second year that the RMTCL has been invited to bring our beautiful cars to this show. If possible, it would be great if we could get at least one model of each Triumph. Registration is \$50.00 (and is tax deductible). You can go online to register at [www.coloradoconcours.org](http://www.coloradoconcours.org) If you have any questions, you can contact Mark Bosler [mbmb48@gmail.com](mailto:mbmb48@gmail.com) or Mike McGuire [mcmgmich@aol.com](mailto:mcmgmich@aol.com). There will be more information to follow in the May Newsletter.

"The cars that I recognize are a 59 Chevy Impala, couple of 60's VW, and I think behind the Caddy is a 58 Ford Fairlane." Mark Bosler

**What cars do you see  
here?**

"Since I was only nine years old in 1972, I don't have the depth of expertise my other, senior club members have ... BUT I see a Ford Ranchero wagon, four 70's VWs, a Buick Wildcat, a Ford Hi Boy pick up, I'm thinking it's a 71 Cadillac ambulance- what I can't figure out is what the blue van is- Dodge, Chevy? "

## **RMTC BOARD MEETING**

**MONDAY APRIL 3, 2017**

**Present:** Debbie Bosler, Mark Bosler, Terry Hughes, Marla Otto, Jeff Otto, Eric Malewska, Kitty Janiesch, Arlene Bosh

**Guests:** Dave Bosh, Dylan Malewska, Andrew Janiesch

Debbie called the meeting to order at 7:00 p.m.

### **BOARD REPORTS**

**Terry-** N/A

**Arlene-** Provided Member of the Year for our top 3 for inclusion into the newsletter.

**Marla –** handed out P&L report. The club had a gain of \$5.91. The taxes have been done as well.

**Jeff-** advised that the calendar is fairly full. We need more club drives. Bishop's Castle drive has been added to October as a one day event. Steve Hart is going to do the historical walk in Downtown Denver; however it will be more on the fly than picking a day. Our Colorado weather!

**Eric-** thanked everyone for getting all the information for the newsletter in to him in a timely manner.

**Kitty-** Went over lapsed members and advised they were removed. We are now at 118 members. Bob and Judy Becwar volunteered to assist Kitty with the Christmas Party at the Arbor House.

**Mark-**N/A

**Deb-** reminded us that Terry Hughes will be running the May board meeting since she will be on vacation. We will meet at Baker St Pub in Lakewood for this meeting and see how it goes and if we want to alternate every other month at this site. Terry mentioned that in the past the noise factor was pretty bad, so we will evaluate after the May Board meeting. Deb also advised that the Club's 34<sup>th</sup> Anniversary /Birthday is this month, so we will have a celebration with cake at the April General Meeting with the club logo on the cake. We also have some leftover silent auction items that we will attempt to use.

**Posters for our advertisers –** in addition to having our newsletters available. We will find out if those advertisers would be willing to hang the posters. Andre would design . The board voted unanimously to do this.

We went over the Gaggle rules again as well.

Feedback was also given on the poster design for the June 3<sup>rd</sup> car show at Baker St Pub in Greenwood Village. Some tweaking needed to be done.

Meeting was adjourned at 8:15 p.m.

Respectfully submitted,

Arlene Bosh

Minister of Letters

## NEW FOR SALE:

1979 Triumph Spitfire. Custom built and truly unique! Created in the 90's by a gentleman in the Austin, TX area about the same time the Grassroots Motorsports Ro-Spit was being built. The builder was actually in contact with the magazine at the time and received much support from them. However, he chose to make his car a fast road machine, rather than a track car. This car has all the Spitfire features (mainly, good looks), plus a Mazda 12A rotary engine (somewhat hopped up with porting and alloy flywheel...est. 190 HP/ 150 MPH) with dual side draft Mikuni carb with stock Mazda electronic ignition, RX7 5-speed gearbox, heavy duty clutch, Mazda limited slip diff, Mazda rear disc brakes (yes, this car has four wheel disc brakes!). Further enhancements include four-wheel Koni coil over independent suspension, (the ridiculous Spitfire transverse leaf spring suspension has been replaced with dual trailing arms), and an RX8 stainless steel exhaust (still pretty loud...sounds like a Hayabusa motorcycle!). No emissions controls so it cannot be registered in any county requiring emissions testing. Located in Denver. Open to reasonable offers. Asking Price \$9250 Amit Sudan 415.609.5900 [amit.sudan@gmail.com](mailto:amit.sudan@gmail.com)

Here's a nice photo of our birthday cake, presented to the club from the RMTC Board at our last general meeting. Thirty four and counting!

**Swap Meet and War Bird Show: May 27<sup>th</sup>.** Pat Meyer and John Ehrlich have been promoting the swap meet part of this joint event. The division of labor between the aircraft/car show and the CCCC swap meet is still being discussed. The swap meet area will have a separate access road for venders to avoid traffic congestion upon entry. Rick Douglas of Pit Rally is responsible for car show and spectators entry. There will be military aircraft but this year there will be no planned landing of F16 aircraft, which complicated the event last year. Our concern is proper management of the swap meet area for venders and buyers. Pat and his committee need volunteers to handle such tasks as space marking, registration, traffic & parking, overnight security (one night), and cleanup. Traditionally clubs have volunteered to handle specific duties. Volunteers will get free parking passes and breakfast or lunch. Give Pat a call at 303-288-4480. Visitors to the swap meet as well as those for the Car / Aircraft show will pay to park.

**Cruiz'n Havana:** CCCC's 10<sup>th</sup> Annual Cruise on Havana St. in Aurora, June 10, noon – 6 pm. This year's event is consolidated to three sites: Stampede/Kaiser; Havana Machine Shop; Buckingham Village / Gibby's. The featured car on the poster is the Buick convertible owned by John & Sue Garratt; the feature car for next year will be selected from photos taken at Stampede site. For the poker run, two cards will be drawn at each of the three sites. Again this year, the winning hand will be an ocean cruise; second will be a NAPA tool box valued over \$1000, and a "second chance" (non-winning hand) will win \$200. There will be a band and various activities at each site. Off-duty police officers will be on hand to keep things civil: no open alcohol containers and no burn outs or coal train exhausts will be tolerated. Again this year there will be a VIP dinner on Friday night for volunteers. The Cruise will run from noon to 6 pm on Saturday, June 10.

**Events announced:**

March thru May: Rolls Royce and Bentley exhibit at the Forney Museum  
April 22: in Aurora, the E-Cycle recycling event at the Stampede, noon – 3 pm
