NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

New Member Corner **James and Zamera Muniz**

1. When did you get interested in cars.?

I have had a passion for cars ever since I was a kid. When I was licensed it was always important to me to have a nice car. It made working for a living more rewarding. Now I work with Allstate insurance and I get to inspect all types of cars daily and even get to work a few shows like the Concours De Elegance, I have been a proud sponsor of that since the event started.

2. What where some of your favorite cars you owned?

I started with a 75 Ford Truck then moved on to a 2 door 1988 VW Jetta that was a show car from California when I was young- I then bought a 1994 Land Rover Defender 90, a Range Rover, Mercedes G55 AMG GWagon, Mercedes CLS 63 AMG, another Range Rover Full size Supercharged, Mercedes GL450- My Defender is still my favorite. Zamera and I recently were given a 1973 TR6. My Dad bought it in 1974. He loved the car and held on to it. Zamera is his grand daughter and what I plan on doing is restoring the TR6 back to its original state and using on Club drives and enjoying it like my dad did. My Dad will drive this car anytime he wants, that's the deal. Zamera is 10 so she will drive it to college like my sister Sandy did.

3. When did you get your first Triumph.

Last year!

4. How did you find out about the Rocky Mountain Triumph Club?

Concours De Elegance and then attended a meeting- The Club is great! The people are real passionate about their cars and with that I enjoy being a part of this club. Zamera and I are new members!

The Torch hasn't been passed YET!

By Gordon Kenney

At the January monthly meeting Glen Sorensen brought boxes of Triumph and RMTC material he has collected over the past several decades for distribution. One of the items I brought home was a copy of the August issue of the 1999 "Triumph Herald". All of the officers were listed on the cover and it is interesting to see how many of those people are still active in the club after nearly 20 years has passed:

Prime Minister: Brooks Turner

Vice Prime Minister: Terry Hughes

Minister of Letters: Liz Reed

Treasurer: Ken Kalin

Newsletter Editor: Gordon Kenney

Newsletter Publisher: Terry Sorensen

Regalia Officer: Andy DeVisscher

Minister of Publicity: Mike Cline

Of the eleven officers listed there were only three names listed of people who are no longer active with the club. They are Dave Fain who moved to New Mexico, Bev Turner who is no longer active in the club and Don Joy, deceased. We have all talked about how the membership of the club is aging. In the next 20 years it's possible none of those listed above will be active in the club. Who is coming in to take our places?

2018 RMTC MOTORING CHALLENGE

Rocky Mountain Triumph Club – Motoring Challenge

The purpose of the Challenge is for RMTC members **TO GET OUT AND DRIVE** their Triumphs instead of just admiring them in a garage or at a show. Prizes, yes Prizes, will be awarded based on point totals amassed at the end of the challenge. Individual or couple who acquire the most points will receive \$75, second most will receive \$50 and third place will receive \$25. The time frame for the contest this year is from May 1 to November 1. Participants need to register their name and vehicle with Mark Bosler at mbmb48@gmail.com. All official Challenge sheets and photos must be submitted to Mark Bosler by the RMTC Board Meeting, November 5, 2018. Photos should be submitted by email with an identifying caption to Mark Bosler. Submitted photos may be used in a slide show at the RMTC General Meeting.

Photo and Point Guidelines

- Earn points by taking photos of your car in front of or near the identifying signs of destinations and points of interest listed on the back of this guide.
- Photos should include yourself and/or a traveling companion when possible.
- Your car – eligible vehicles are RMTC Member Triumphs.
- Proof of your location such as signs or identifying landmarks or structures.
- The cover of a 2018 RMTC Herald Newsletter needs to be in the picture. Newsletter must be 8 1/2 X 11 and Identifiable in the picture.
- Photos must have clearly identifiable, permanently posted signs, buildings or structures. We want you, or a navigator, to be in as many pictures as possible. Be creative, it could earn you bonus points with the judges. Some photos could be challenging to come by, and though this is a Motoring “Challenge”, be safe out there.

RMTC Challenge Guide Notes

Each destination in the guide is worth one point, except where noted.

- On the Challenge Guide identify the general location where Points of Interest were located, ie. B-52 Bomber - Wings Over the Rockies Museum.
- For Places of Mother Nature and Mountain Peaks and Passes the sign is all-important.
- For City, Town, and Municipality, “Entering” signs, or signs on public building and structures should be used.

Bonus Points

Judges may add bonus points for any number of artistic, creative or clever reasons.

Sneak Peak Points

We want to see the fun you are having along the way. You can earn two bonus points if you email two of your favorite RMTC Motoring Challenge photos to Mark Bosler at mbmb48@gmail.com for possible inclusion in the RMTC Herald by each of these dates: June 15, 2018, and September 15, 2018

Southwest Airlines—Did you say Triumph? Submitted by Arlene Bosh

On a recent Southwest Airline flight from Orlando to Denver, we were engaged in a fun conversation with a flight attendant named Sandra. We were talking about body parts, joint replacements and back pain when I said that Dave recently had back surgery and was experimenting with getting in and out of his Triumph. Sandra asked if we were talking about Triumph motorcycles and we said no, a Triumph TR6. That started a whole new conversation and she began to tell us when she was 16 she was given a canary yellow 1977 TR7 and she and her dad had to drive from their small Kentucky town to Nashville, TN to pick up this car, which was her first. She thought they paid about \$1100.00 for it. Of course, Dave had to have her view pictures of FLASH. She was going to try to find some pictures and send them to us. What fun it was talking with her. Just goes to show you that Triumph owners are all over the place and you will meet them in the most unexpected ways. Sandra is based in Denver and no longer has the car, but we told her about our club.

ULTIMATE BURGER HUNT

Want to taste and score the best Colorado burgers while driving your Triumph? I introduce to you the RMTC's **Ultimate Colorado Burger Hunt 2018**. During this driving season you can be a judge in our burger contest. These are not fast-food burgers! Working with The Denver Burger Club, I will be sending out invites for future drives to award winning burger joints to see if the RMTC's Burger Judges agree. This is all about getting together with fellow burger lovers to enjoy good conversation over good food, and driving cool cars. Want to be a part of this? Just **email Andrej at Andrej@rockymountaintr.org**. Once a Burger Joint is located, I will send out an invite to join in the drive. We will meet at a location and then drive to the Burger Joint, then eat. I will hand out scorecards for each judge to fill out and I will gather them at the end of the drive. At the driving seasons end, I will tally all scores and do a write up with the results in our newsletter. I plan on hitting one Burger Joint per month. You know a burger joint, great, just let me know and I will add it to our list. If your are a vegetarian, don't email me! **Our first hunt...April 29, 2018.**

CCCC March 2018 Meeting Highlights

Collector Car Council of Colorado, Inc.

Dedicated to the preservation of automotive history

www.collectorcouncil.com 720-535-6097

Legislative:

Leo Boyle noted that Rep. Randy Baumgardner is no longer chairman of the House Transportation Committee.

There are three bills of interest that have been introduced, all in the Senate:

-SB18-028 – concerning **placement of front license plates** on vehicles. This has become known as the “Mercedes” Bill since Mercedes dealers complained that the current requirement places the plate squarely in front of their collision warning radar. It does not do away with the requirement for a front plate. It is likely to pass without modification.

-SB18-181 – concerning **moderation of the motor vehicle emissions inspection program**. This bill would extend the emission inspection cycle for vehicles built in 1982 and newer from every two years to every four years and eliminate the automatic failure if the check-engine light is on. NOTE: The hearing for this bill on March 15 has been **postponed**.

-SB18-078 – concerning an **exemption from certain additional** charges imposed at the time of vehicle registration for vehicles that are **thirty years old or older**. This bill would exempt such vehicles state-wide from the road safety surcharge (which came about with the 2008 FASTER legislation) and the vehicle-age-based-motor vehicle registration fee. Leo does not expect this bill to survive a hearing because it does not have any Democratic Party co-sponsors.

Forney Museum:

Museum director Christof Kheim stated that the next featured vehicles to be on display at the Forney are cars representing the unique art-deco styling on the 1933-1942 period. He would like to add examples of the following marques: Pontiac, Mercury, Chevrolet, Chrysler, Packard, and Buick. He would probably also welcome examples of Terraplane, Nash, Graham, Hupmobile and Cord. Colorful examples would be preferred, although the 1930s were kind of a drab period. On display April - June.

Swap Meet:

The CCCC swap meet is scheduled for Saturday, August 4th at Rocky Mountain Metro Airport (formerly Jeffco Airport). The agreement between CCCC and the airport has not yet been signed by the county attorney and the air show promoter but we are urging that this be done very soon as we need to start advertising the event. The Early Mustang Club will move their traditional “Horsefeathers” show to the airport on that date.

Havana Cruise: June 9th

Dick Thompson reported that the Stampede Restaurant location will not be used this year due to construction and the Havana Exchange site at 2822 S. Havana will be used instead. The Gibby’s site at 1555 S. Havana will feature the NAPA Show Trailer. The Havana Machine Shop at 800 S. Havana will be the third site. There will be entertainment at all sites. The Poker Run first prize will again be a 5 day ocean cruise with second prize being a mechanic’s tool cabinet. Volunteers from many clubs have stepped in to manage festival sites and traffic control. The Cruise will run noon to 6 pm. with poker run winners announced at 6 pm.

Mecum Auction Drivers: The Rocky Mountain Thunderbird Club has recruited enough drivers.

CCCC Web Site: Clubs are urged to check their listing under “member clubs” to see that the information is current. Chuck Smith of the Northern Colorado Model T Club is the liaison for contacting the CCCC web master. Chuck’s email is Herbnut@aol.com.

Don Reinke: Don has been a long time car enthusiast, particularly as president of the Rocky Mountain Thunderbird club, but he urgently needs a donor kidney. To help, contact the Presbyterian St. Luke’s Transplant Center, 1-800-758-1005 or 720-754-2155.

More Happenings:

RMTC BOARD MEETING MINUTES, MONDAY MARCH 5TH, 2018

Present: Terry Hughes, Dave Bosh, Arlene Bosh, Mark Bosler, David Durstine, Andrew Janiesch, Kitty Janiesch, Liz Reed, Brad Reed.

Guests: Ralph Malewska, Deb Bosler

Meeting called to order at 7:00 PM

Board Reports:

Liz- Bob Mott gave her contact information for speakers to attend our general meetings. We agreed that it is okay for the club to pay for their dinner. She is reaching out to those people.

Arlene- Member of the Year Guidelines completed. Accepted as written via unanimous vote. They will be in the April newsletter. Copies handed out to Board.

Dave- nothing new on Regalia. Order forms for K&K Monogramming can be printed in color off the web. Deb Bosler mentioned that the RMTC website still shows Café Press. Monograms by K&K needs to be substituted. Dave will contact Andrej.

Kitty – We have 115 members. Two new members have joined via the website. Brings a '73TR6 and a Spitfire into the club mix. Gave Brad receipts for postage. New member packets are currently \$3.50 each to mail.

David D – March newsletter is out. Will meet with Eric since he will be doing the April newsletter for Dave while Tamara and Dave are in New Zealand. He will be back April 14th.

Brad – No big changes in our checking account. Currently at \$6764.96. Could not get into the post office lobby after hours due to a needed door code. Terry will see if he can obtain the code. Brad did get the bills out to our newsletter advertisers. We received an undeliverable back from British SportWerks in Greeley. May have been a misread in the zip code. Terry asked Deb if she knew who the signers are for the post office box. Marla had been the person who always went to the post office. Gordon Kenney had been one of the original signers. Terry will talk to the post office regarding the after-hours access. Kitty said that she can still pick up the mail since her office is at 18th and California streets.

Andrew – the Hagerty Oxotic event had a small membership turnout. Hagerty provided breakfast and other food. They gave out free calendars, hats, books, and pens and provided a tour of the building.

March 24—Wings over the Rockies followed by lunch.

April 21 – Spring tune-up at Frank Oakley's

Burger Run needs dates for planning purposes.

There needs to be a push for our members to come up with drives since the spring and summer driving season will be upon us soon.

New Business:

Terry- gave Brad the renewal for the collector car council for this year. Among the things they do is having a Lobbyist who advocates for older cars. Terry will get copies of their minutes. They publish legislation information as well.

Mark – Advised the Board that the newsletter that gets mailed out is .59 to get printed and .71 to mail. That is a total of \$1.30 x 12 mos. = \$15.60 per year per member. Grand total is \$500.00 per year to mail newsletters. New member packets have increased in mailing as well due to postal rates and increased content. There was discussion around to increase mailing cost to members that is separate from membership dues which are currently at \$35.00 per year and an additional \$5.00 if the newsletter is mailed. Additional discussion around roster email addresses and emailing to those members. We also discussed at member renewal time to the club that the membership fee would remain at \$35.00 but members who wish to continue receiving mailed newsletter would pay an additional \$15.00 to cover the increase in mailing and printing. This will be effective September 1, 2018 and there will be an informational blast.

Liz Reed motioned for the 9/1/2018 \$15.00 increase for mailed newsletters. Seconded by Terry and unanimously accepted.

There will be a future discussion for the roster. Has to be either via email or postal mail. The new member application will need to be updated as well.

Mark also talked about the Driving Challenge survey. 7 members voted to continue the Challenge and 7 were not sure. A money prize was first, followed by ribbons and certificates. The \$75, \$50 and \$25 money prize would stay as is, despite the low participation the past years. We need higher participation from the club. We do have the option of canceling this event next year. It will run this year from May 1-Nov 1.

Debbie – brought up the posters for our advertisers that we discussed last year. It needs to be brought up again with Andrej as the Board last year approved the poster that Andrej designed. She will contact Andrej and get this going again.

Discussion around leaving the Club business cards at our advertisers as well. We need to order new cards. Kitty will get some cost figures Andrew brought up the Spring Car Show again. He will ask Sara at Hagerty if we can host the event in their parking lot. We would need to have the building available for restroom purposes. Some other options for location were tossed in as well and Board members will keep their eyes open for some possible visible locations where we would get some good foot traffic coming to look at our treasures.

We are still looking for one of our members to come forward to do the Highlands Scottish festival as Brooks Turner will not be doing this.

Meeting was adjourned at 8:35 PM.

Respectfully submitted,

Arlene Bosh
