### NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

#### June 16<sup>th</sup> Picnic and General Meeting

The Annual Father's Day Picnic, hosted by Gordon & Shirley Kennedy, was an enormous success! The day started out sunny, but ominous clouds rolled in, with occasional showers. That did not deter the fun, approximately 20 folks attended. Appetizers were enjoyed by all, followed a tasty potluck with deli sandwiches and yummy desserts.

This year's picnic offered a variety of challenges. The main event was created by Rod Tomkins & Gordon Kenney, to test driver's abilities. The first test was "Stop on the Dime," literally, there was a dime. Second test was a timed parallel parking-closest to curb & equal distance front & back was required. Third & final test was "On the Pole." This required backing up & pulling forward to touch the pole without knocking off the tennis ball. 2 runs were given to each driver, and the best overall combined scores won. Overall first place was Andrew Janiesch in his TR6. Second Place was Rod Tomkin's son Ryan in his Toyota Four Runner. 3rd place was Dave Bosh in his TR6. Some of the other competitors were Kitty, Gordon & Gordon's son, Brad, in their own Miata's

For folks who didn't want to put their driving skills to the test, Kitty Janiesch hosted a Members' Trivia Contest. The "Trivia" consisted of personal tidbits from RMTTC Members in attendance. The goal was to match the answer of the trivia to the correct person. Did you know that there is a RMTTC Member who heard Bobby Kennedy speak at her brother's graduation in 1967? Or that we have a member who spent a night in an ice hotel? Or another member that met the Dali Lama. There was a tie for first and the Tie Breaker question was 'What is the official Father's Day flower?' (answer: A Rose.) Barb & Mike McGuire guessed correctly and won! The contest was a lot of fun, thank you Kitty!

## EVENTS, CONTINUED

### *Highway Cleanup, Saturday, July 14, 2018!*

It's time for fun and games, and, oh yes, a little civic duty along the lines of some light cleaning up of Highway 119 above Rollinsville. Bring gloves and appropriate clothing for whatever Mother Nature throws our way. It is said, there is no such thing as bad weather, just bad clothing. Very stylish bright orange reflective vests and trash bags will be provided. Lynne and I have decided to add a contest to this years' event. Each year we have a theme for the "Highway Cleanup Challenge" for story telling with the winner getting their name inscribed on our "Most Valuable Environmental Specialist" trophy. Be creative and email your idea for a theme to Rick at [lawson6861@msn.com](mailto:lawson6861@msn.com) to enter the contest by July 10, 2018. If your theme is selected, you will win a \$25.00 Visa or MasterCard gift card. Oh, and of course, the winner must be present for the highway cleanup to claim the prize!

We will meet on Saturday, July 14th at the RTD Park N Ride at the Federal Center Station in Lakewood. The address is 11601 W 2<sup>nd</sup> Place. From W 6<sup>th</sup> Ave and Union, go south to 2<sup>nd</sup> Place, then east to the Park N Ride. We will meet at 8:45 am and depart at 9:00 am. A secondary meeting place will be at the entrance to Jefferson County Public Works which is about one quarter mile west on Golden Gate Canyon Rd from Highway 93 in Golden. Estimated meeting time there will be 9:20-9.30 am. We will then drive up Golden Gate Canyon to Highway 119 and on to our cleanup location above Rollinsville to perform our civic duty.

After the Highway Cleanup, we will gather for a group photograph of all the vehicles that participated in our annual event. Then, we will caravan off to a picnic lunch in the great outdoors at the Durstine cabin! Be sure to bring your picnic lunch and beverage of choice! During the picnic, we will engage in the Highway Cleanup Challenge and the winner will have their name engraved on the trophy which will be presented at the August General Meeting. In addition, there will be rewards for those who find numbered wooden blocks left for the scavenger hunt along our cleanup route. Hope everyone can join us for this Environmental Project to keep our driving adventures beautiful to enjoy! So plan on joining us for all the fun on July 14<sup>th</sup>!

## **A High Plains Ramble**

Hosted and Reported by Rod Tompkins, photos by Rod Tompkins, Kitty Janiesch, Gordon Kenny

Sunday June 24<sup>th</sup> dawned bright and sunny, and 5 TRs, 3 of which were Damson Red, just sayin', gathered at Aspen Grove, then drove down Santa Fe/US 85 to Castle Rock and Franktown, picking up another TR and 2 Miatas. Surprisingly, no one took advantage of the nearby Piercing and Tattoo shops where we rendezvoused. Then on to Elizabeth and Kiowa for lunch at Bino's, which was delicious and delightful. There was a minor panic as lunch was being served, when that bright and sunny day changed to cloudy and rainy, causing a quick dash to raise TR tops, which takes more than 15 seconds.

Then on to Strasburg and the Commanche Crossing Museum, which was excellent even if we had to condense a 90 minute tour into something less than an hour. Many buildings, old horse drawn farm equipment, vehicles, furnishings and a tour guide who knew what he was talking about, made for an informative, if abbreviated, tour.

Due to the rain, we cancelled a stop at the nearby monument to the joining of the transcontinental railroad, and drove a few blocks further to the John Deere Museum. Here, we had another outstanding tour by the proprietor, Russ Engelbrecht, who has an encyclopedic knowledge of all things John Deere. Due to muddy walks between the buildings, no doubt some members of the group are still removing mud from their shoes and TRs. Still, it was an excellent ramble, with members returning to the big city by their own ways, which included I-70 or US 34 to the E-470 interchange, and then home as the clouds cleared.

When traveling a 100 miles with interesting stops, which demonstrated how well Rod did his homework, we all took a lot of photos. Here are the Ramble photos, showing what you may have missed. *—Editor*

### **Selected info and events from the CCCC June Meeting Minutes Collector Car Council of Colorado, Inc.**

**Legislative:** Leo Boyle was unable to attend. SEMA reported that the Colorado bill that would have extended the new car emission exemption in Colorado did not make it out of committee. SEMA is also requesting car enthusiasts to contact federal legislators to support House Resolution 5858 which would expand pump warning labels on gasoline pumps dispensing E15 gas (15% ethanol).

**Year Of Manufacture (YOM) license plates:** CCCC has been advised by a club member that he was stopped and cited by an Erie police officer for having unauthorized plates on his car. In fact he had YOM plates authorized in accordance with CRS 42-12-302 and he had the regular plates with him as well as a copy of DR2818 which is the application for YOM plates. We will be interested to hear how this is settled.

**28 July: Red Lion Run** (car show) by Italians of America, Leprino Foods, 1830 W. 38<sup>th</sup> Ave., Denver. Proceeds to benefit Food For Thought.

**Swap Meet & Car Show: August 4<sup>th</sup>.** (RMTC Coordinator for this event is Sharon Robinson, see page 3) The contract with Rocky Mountain Metro Airport has been signed for CCCC to be the Car Show (and Swap Meet) contractor. CCCC is to provide 100 volunteers to handle parking for spectators and **we need people** to sign up to assist. There will be a parking charge of \$5 per car for spectators and CCCC will receive 20% of that revenue. There will be a very tight schedule for cars to enter the CCCC car show and swap area so as not to interfere with the air shows. Specifically, swap vendors should be in by 7 AM; car show entrants move in between 7 am and 8:30 am (none after 8:30). Spectators will start moving in by 6:30 am.
