### NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

#### The TR6's 50<sup>th</sup> Birthday Party

#### Hosted and Reported by Patrick and Vivi Huckels

It's not every day that you turn 50. As a matter of fact it actually only happens once unless you believe in reincarnation that is. Being a TR6 enthusiast, I thought this golden anniversary deserved some attention. We dedicated our event to this marvelous machine, that caught many of our eyes when we were young, and the right stuff dreams are made of. Just the exhaust note would give me goose bumps and still does.

Officially, the first 2 TR6's were fully assembled in 1968 by hand in Coventry, by both Triumph and Karmann specialists, on the significant American holiday of the 4th of July. They were shipped to the USA on August 9th of that same year, for exhaustive photo shoots and road testing by auto magazine reporters. The real 'official' unveiling of the sports car was in the UK on January 14, 1969.

So you might hear various years mentioned when it comes to the 6's birth date but as they say 'History is History'. Remember that the 'model' year does not often coincide with the calendar year, as in this case.

Our party was both simple and festive. Burgers on the grill and beer in the coolers. Sharon Robinson outdid herself making two 'Fabulous!' cakes. As I didn't have the heart to cut into such works of art, Mark Bosler, who also lead in the singing of 'Happy Birthday', and Sharon herself, did the honors.

Andrej Galins, who designed the commemorative lapel/hat pin for the event, helped organize the photo shoot at a nearby library. James De Bartolomeis just so happened to be passing by in his daily driver 6 and joined us. What's the chance of this? Pure 6 fate. He joined us for cake afterwards and headed off into the sunset.

Thanks to all the 20+ attendees for their delicious contributions and help. Thanks again for the Board approving our event. Vivi and I have declared the party a success, and now she has a wonderfully clean garage to boot. For how long we'll see.

## August Events Activity Reports - Part 1

### **The Rocky Mountain Air and Car Show – Coordinated and Reported by Sharon Robinson**

Attending: Sharon Robinson, Steve Girkins, Rod Tomkins, Ken and Vicki Kalin, Andrew and Kitty Janiesch. Andrej unfortunately had car issues en route and had to head home.

A small group from the RMTC met just before 6am on August 4th, to travel in formation to the Rocky Mountain Air and Car show at the JeffCo Rocky Mountain Airport. The RMTC got free admission, primo parking, lunch, cool T-shirts, and golf cart racing, in return for an early rise and directing parking lot traffic for a couple hours. We were able to park right next to the runway area for the show

There was breakfast coffee and doughnuts for the volunteers, and then after a quick briefing, we got our T-shirt's and commandeered two golf carts for rides to the car park where we were volunteering - Rod and Andrew raced the carts and I believe Rod was slightly faster at least on the down hill! (Must have been the race-prepared battery) We parked cars along with volunteers from Hagerty until 0900 - by the time we finished it was getting hot, so we jumped on our trusty golf carts and headed back to the show.

Lunch was provided by the airport - delicious brats, in an air conditioned space just for volunteers like us. There were quite a few airplanes on the ground to visit, and around 400 cars of all makes in the show. The airshow itself was smaller than past years, but fun, and considering it was the first year back after a long hiatus, they did a great job and hopefully it will continue to get bigger. Worth getting up for a 06:00 rendezvous!

Photos by Sharon Robinson and Kitty Janiesch, Thanx!!

06:00 Dawn Patrol run to the airport, where Sharon has arranged primo space right next to the runway

If Sharon has this much fun riding in a golf cart (below), one can only imagine how she is in her Spitfire!

## August Events Activity Reports - Part 2

### Colorado Scottish Festival British Car Show

Text and photos by Barb McGuire, and there is a video of other cars at [https://youtu.be/OHE5Dq\\_Ijzu](https://youtu.be/OHE5Dq_Ijzu)

We chased a rare morning rain cloud in our TR3 with the top down enroute to the Colorado Scottish Festival British Car Show at Citizen's Park in Edgewater. A couple of small showers moved through the day but mostly we had great weather. There were 21 types of British cars, and of those 21 cars there were 3 Triumphs; Becwar's 1968 TR250, Martin's 1973 Triumph 2000 Mark 2 and McGuire's 1959 TR3A.

Parking was on a street closed off and lined with large trees, making for a great place for our chairs and for wandering around the festival. There were lots of spectators and interest in the cars all day long.

Ken McCorkell received the top ribbon for the Chieftain's Choice Award with his 1965 Sunbeam Imp. The Imp was manufactured by the Rootes Group/Chrysler in their Linwood, Scotland factory.

Alan Magnuson, (MG Club) who was responsible for organizing the Scottish Festival British Car Show, did a great job getting different types of British cars for display.

### Notes from the August General Meeting;

There were reports and announcements from the officers, and others of matters of general interest...you heard it there first rather getting some of it later in the *Herald*. The raffle table had a selection of goodies donated by various members. Your editor made a plea for people to send him Triumph, and general items and photos of interest, that others may like to read about in our newsletter. We have over 110 members, about 11 of them help out with newsletter articles and coordinating or reporting events, even some who aren't retired. (Thank You!!) There is a burnout factor for those "doers", and those who have been officers repeatedly.

As mentioned last issue, a few people showed up for the annual highway cleanup. Are we going to have to give it up and let the MG Club get the PR?

At right is Rick Lawson, spinning a good yarn around items he found during the cleanup. He and Lynne, who had her own good yarn, won the traveling plague for best cleanup stories. You had to be there to hear it!

Below is Rod Tomkins, event host, awarding the 2018 plague to the Lawsons.

## This and That

### **Dan Gurney, final checkered flag January 14th**

Like most drivers in the 1950s, Dan Gurney, one of the living legends in American sports car racing, started with SCCA club races, starting in a Triumph TR2 in 1955. He soon became a world-renown driver, constructor and team owner, competing at the highest levels of motorsport. On the international scene, in ways he was the definitive "overnight success." As Sports Illustrated reported in 1959, "Dan Gurney, an obscure club driver 16 months ago, has joined the Ferrari sports car team." Stunningly, but two years later in 1961, he tied British great Stirling Moss for third in the F1 Championship.

**Subject:** Past history

**Message:** This is completely from left field but perhaps you can provide some guidance. Back in the 60's we belonged to the Denver Sports Car Club. We owned a '63 TR4 and I held a National Chief Starter's License from SCCA, and we (my wife handled communications from corner 6 and I started) worked at Continental Divide Raceway in Castle Rock among other tracks throughout the Rocky Mountain west.

It appears that Denver Sports Car Club is no longer, so we can't use that as a resource to track down two wonderful old friends from back then: Bud and Colleen Rhodes. Why they suddenly came into our memory I can't explain. We went East for grad school and work and lost touch. Can't begin to tell you how much Sheridan beer (cheap) we went through over the years. Oh well, that is another story. Any way, if you have ANY suggestion as to how we might carry out our search I would appreciate it.

## MONDAY AUGUST 6, 2018 RMTc BOARD MEETING MINUTES

**PRESENT:** Terry Hughes, Mark Bosler, Arlene Bosh, David Bosh, David Durstine, Kitty Janiesch, Andrew Janiesch, Liz Reed, Brad Reed

**GUEST:** Debbie Bosler

Meeting was called to order at 6:58 P.M.

**Liz** – Bob Mott had told Liz to contact RC Auto Electric as they might be interested in speaking at our General meeting. Liz Left a message for a callback to possibly speak at the October meeting. So far, she has not received a call back. Bob Mott got his starter repaired by them.

**Arlene** – Brought up changing the Board meeting in September from September 3<sup>rd</sup>, Labor Day to Tuesday September 4<sup>th</sup>. Everyone agreed that was okay. NY Deli news was advised of the change. No other business.

**Dave B** – No new orders for Regalia at this time. He was going to find out the price from K&K Monograms the price for shipping shirts so anyone who wanted to order directly from the website or at the Conclave would have that information. We will have order forms available at Conclave including a sample of the hat, polo shirt, women's T-shirt and men's T-shirt. We will have a large and X-Large in the men's and a medium for women.

**Kitty** – Club is at 114 members. We have two new members, Robert Robinson and Mike & Kim Greenwood.

**Dave D** – Advised that he received the electronic version of the newsletter on Sunday August 5<sup>th</sup>. Had a question about whether there is any assigned date when Andrej sends the emailed newsletter. Andrej replied it is dependant on priorities of the moment after he receives it from Dave. Dave wanted everyone to know that he is receiving some really great submissions of articles and photos by our membership, and he is very grateful for the input. *Wants everyone to keep up the good work!*

**Mark** – Asked for someone to mail out the October newsletter as he will be out of the country. Terry said that he would take care of that.

**Andrew** – Andrew and Kitty will not be at the August General Meeting on 8/21. Went over upcoming events-Patrick's Potluck on 8/11. Mark Bosler will talk about Adams Polish. Terry will review events at the meeting as well. Discussed food for the Conclave and we think that one 6 foot sub should be sufficient as will 2 cases of water.

**Brad** – Balance in the Club checkbook is \$5,766.00. Transfer stripe deposits plus memberships coming up. There was a \$288.00 withdrawal with Square Space which is the yearly server fee for our website. There are a number of memberships that are coming up for renewal in September which should help our balance.

**Terry** – Talked about elections for new officers for the Board. September and October would be for nominations and voting would take place in November. Terry advised that he will not run for Prime Minister again as did Arlene for Minister of Letters, Dave Bosh for Regalia, Liz Reed for Vice PM and Brad Reed for Treasurer. Terry said he would approach Rod Tompkins and Gordon Kenney to encourage people for open Board seats. Longer term limits would need a vote of the Board or elimination of term limits.

Meeting was adjourned at 7:45 P.M.

Respectfully submitted,  
*Arlene Bosh*
