### NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

#### Adam's Polishes Event

#### Coordinated and Reported by Mark Bosler

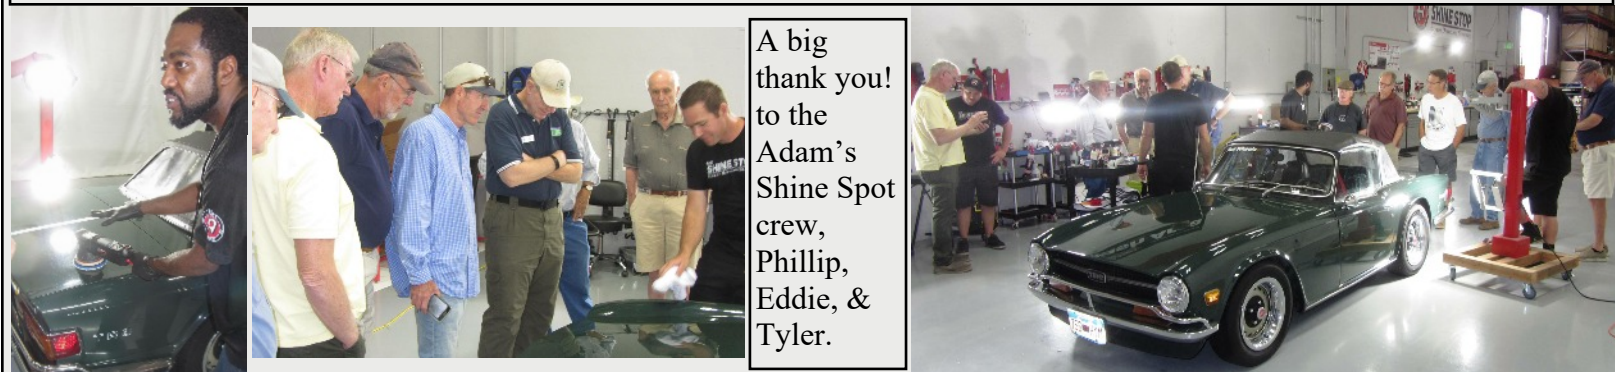

On Saturday, September 1st, 12 club members met at Adam's Polishes in Thornton for a very informative morning. Andrew volunteered his TR6 so Phillip and The Shine Team could show us how to properly detail our cars. When they were finished with Andrew's car, it was truly renewed. Adam's Polishes has great products that make detailing your car easy. They have a product for any detailing job that you might want to do to your car and they are happy to help you find the one that you need. We were also given a tour of their facility and all the different products that they make. After our lesson and tour, we headed off for some lunch at Las Delicias. During lunch, we talked about what we learned at Adam's, and after lunch headed home, probably to work on our cars and to trial the complementary detail products we were given. The Adam's Polishes web site (<https://adamspolishes.com/>) has numerous instructional videos on how to use their products.

Always start with the tires, observers are optional, then a wash with foaming cleaner, then a microfiber towel wipedown

Proceed with various detail products to remove scratches, surface haze, helps to have the correct tools and inspection lamps

A big thank you!  
to the  
Adam's  
Shine Spot  
crew,  
Phillip,  
Eddie, &  
Tyler.

## **Musings from the Gavel**

Thanks to everyone who attended last month's general meeting, it was a good turnout for our first round of 2019 RMTC board nominations. Be sure that you check out the members who have so far been nominated, it is a very impressive list, with some who have never served before, and some that have, providing a combination of experience and new ideas, a very good mix. Good work by the nominations team, Gordon Kenny and Rod Tompkins.

Remember that this month the nominations are still open so if anyone is looking to serve or knows of any that might be come to the meeting and get nominated.

The list of nominated new board members is on page 8.

## September Events Activity Reports

The Colorado English Motoring Conclave held the weekend of September 15<sup>th</sup> and 16<sup>th</sup> is one of the largest events on our annual car club calendars. The RMTC had a good turnout this year, with some faces we don't see very often, starting with the annual post-drive party hosted by Terry and Marietta Hughes. There was a lot of other events happening the same weekend, such as RMVR racing and several other car shows. With temperatures continuing in the 80's and 90's deeper into the fall this year, our motoring season continues even after the Conclave.

Post-drive parties at right included Dave Fain, returning to visit us from New Mexico, party host Terry Hughes, and RMTC VP Liz Reed.

At left is Lynne Lawson and party co-host Marietta Hughes

Party photos by Kitty Janiesch - Thanx!

Squeezing in a few more events of interest before a bunch more Conclave photos and reporting starting on page 8.

My name is Nathaniel Curtis, and I am the Program Coordinator at the Bill Daniels **Veteran Services Center in Denver**. The Veteran Services Center is owned and operated by Volunteers of America, and brings together 11 different service providers to act as a one-stop shop for all veteran needs. Our largest client demographic is veterans who are homeless or at imminent risk of homelessness. In order to properly aid our veteran population, our services range from housing and employment assistance to legal counsel and health screenings all at no cost to the veteran.

We are currently planning a **car show on October 6th from 10am-2pm** in conjunction with Lockheed Martin with all proceeds going to our Veterans Assistance Fund. At this time we are looking for community members to join in the festivities and **enter their cars in the show**. Admission is free and there will be food, music, and an award ceremony at the end for the best in show. If this is an event you would be interested in, or if you have any questions, feel free to reach out to me.

## September Events Activity Reports Continue

### A note for all those who stepped-up to make Conclave a great weekend!

Thank you to Terry & Marietta Hughes for hosting their annual Conclave BBQ. We had a great turnout and thanks to Dave Fain we gained new members Curtis & Susanna Kitts from Albuquerque, NM. Conclave weekend is a fun filled weekend with a lot of activities. Kudos to everyone who attended! We would also like to give special thanks (I'm sorry if I left someone off this list) to everyone who stepped up to help with set up, registration, parking cars, serving food, recruiting new members and tear down/clean up. Your help was noticed and greatly appreciated. I'd like to give a shout out to Patrick Harcourt and family for helping 2 years in a row. Besides helping with Set Up & Clean Up, his wife saved the day by bringing supplies that were overlooked. In addition, his son, Alex, did an excellent job assisting Mark Bosler with counting votes. As my grandmother always said, "many hands make light work."

## **NEW MEMBER CORNER, MEET BOB ROBINSON, reported by Mark Bosler**

1. How did you get interested in cars?

When I was about 12, I used to steer my Dad's 1927 REO and that got me interested in driving.

2. What were some of your favorite cars you've owned?

My 1st car was a 1936 Oldsmobile straight-8 sedan. Then I had a 1951 Ford V-8, 2 door sedan. A friend in the service had a TR2 and that got me interested in Triumphs.

3. What was your first Triumph?

A 1956 Triumph TR3 with overdrive, red with a white top. I got married in 1957 and my wife Marcia and I went to watch sportscar races in Pomona, Riverside Raceway and Santa Barbara, CA. In 1958 my wife wrecked that car when I was stationed overseas in Iwakuni, Japan. When I got back stateside I got a new 1960 TR3 with overdrive and wire wheels, black with black interior and white trim. We drove this car across country from CA to PA in 1960 and averaged 34 mpg. It was a fun car to drive. We sold that car when our daughter was born in 1962.

4. How did you find the Rocky Mountain Triumph Club?

I heard about the club from the previous owner of this 1961 TR3 I purchased in July and thought it would be interesting to meet other Triumph sportscar owners.

Bob is attending an Honor Flight on October 11-13 this year, his daughter wrote this bio *[edited for space]*; After the Marines, Bob became an auto mechanic and specialized in automatic transmissions. During his time in the Marine Corps he had several different motorcycles and became passionate about Harleys. That passion encouraged Bob to open a Harley-Davidson franchise in Santa Maria, CA in April 1977. He sold the Harley Shop in 1988 and started driving a truck for Rodeway across the Western United States. Bob retired in 2003.

## Oktoberfest 2018, Hosted and Reported by Dave and Arlene Bosh

It was a warm, sunny and perfect September 23rd for Oktoberfest. Thanks to everyone who came and brought some wonderful things to eat. We had about 6 Triumphs in attendance and around 25 people who joined us. People were coming by our house to take photos of the LBC's, and our neighbors always enjoy seeing them as well. All in all, we had a grand time and look forward to doing this next year!

Thanks again to everyone, Dave and Arlene

Board approved moving the board meeting from October 1 to October 2 since several board members have a conflict. September 23 beginning at noon is the Ocktoberfest celebration at Bosh's home. Brauts and burgers provided, bring a side dish to share and your favorite adult beverage. Dave B has asked Andrej to send out weekly Alerts.

October 6 is the Northern CO Oil Spot Rally. Andrew is trying to get more details for this event. Once he does, an Alert will go out to members.

October 13 is the Kalins breakfast; Kalins will supply eggs and coffee. Be at their house about 8am, bring a dish to share. Possible drive afterwards.

**Liz Reed – Vice Prime Minister** – talked with Gordon Kenney and he and Rod Tomkins have people interested and ready to be nominated for all board positions.

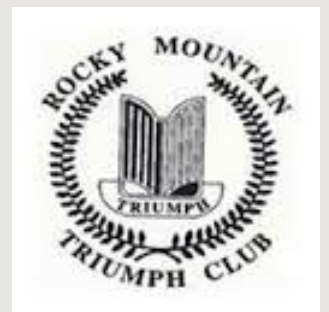

### New Business:

The club received a letter from the State of CO Department of Revenue stating the Club is in arrears regarding sales tax. The treasurer also received similar letters in March and June; the State was sent the required forms that were requested in the letters. Every quarter the treasurer has to complete a sales tax form and send to the Department of Revenue. The RMTC board has no idea how far back this goes; however Marla as previous treasurer also sent in the required forms each quarter. It was decided that Brad would contact Gordon Kenney and make an appointment to visit the Department of Revenue. More information once this meeting has occurred.

Board voted to balance the checkbook to the bank statement going forward. All accounts will be verified and reconciled at the end of year handoff to the new board. Kitty Janiesch made the motion, Dave Bosh seconded, motion passed.

Terry adjourned the meeting at 8:10pm.

Respectfully Submitted,  
Liz Reed
