Wine Tasting 2018, reported by Debbie Bosler

The Annual Wine Tasting has come and gone for 2018. Thankfully, Mother Nature cooperated (mostly) and the weather was tolerable for the drive to Castle Rock. 18 RMTC members and 1 "associate member" (Ted Ax) provided some enjoyable and interesting wines along with delicious appetizers. The guys joined Mark in the basement for a brief 'history lesson' on his Civil War artifacts, then eventually wandered back upstairs to join us and the wine. The theme this year was wines from Tuscany. Red wines usually come to mind first, such as Chianti, Sangiovese and Montepulciano, but there are also many white Tuscan wines and we fortunately had several to try. A good time was had by all!

Right, incoming vice-PM Rod Tomkins and outgoing PM Terry Hughes chat with Ted Ax, who drove the only LBC that evening.

Musings from the Gavel

Well, another year has gone by and its time to pass the gavel on again. The club's new board will assume office in January, and they are a very good group. Many long time members, and some first time officers as well as previous office holders are your new board. I am sure that they will be very good for the club and its members.

The last big event of the year is coming up soon. Kitty and Andrew Janiesh have coordinated our annual Christmas party, which is being held at the Arbor house in Golden. See details in the events section. I look forward to see everyone there.

November General Meeting

Andrew Janiesch reported that 26 events were held in 2018, thank you members who hosted and attended events! Terry Hughes reported that the hosting of the VTR 2020 has been deferred, pending that enough people sign up to help. The National VTR was ok with that. VTR 2019 Will be in Austin in October, Rod Tompkins plans to attend. There is more discussion on hosting the VTR in the board minutes on page 11. As noted previously, it's all about having enough committed volunteers. That is far from certain at this point.

Steve Hart reported on their recent trip to Ireland, where he encountered a Mini restoration shop, there were no Union Jacks on the roofs of the cars! Steve also noted that driving a rented a Golf diesel on narrow stone-fenced roads was only mildly scary, because there was no choice of which side of the single lane roads to drive on.

Brad Reed was presented with the 2nd Place TR8 ribbon from Conclave, which finally caught up with him.

Kitty Janiesch reported that WE HAVE 42 RSVP'S for XMAS party!!! Last year we had 43 attendees total. The 50/50 Raffle of \$16 was won by David Durstine

Board members election; 21 present, 21 voted, one choice for each position, no write-ins, no hanging chads. The RMTC is very fortunate that those who have served in continous rotation on the board continue to do so....*this time*.

Membership Tidbits;

Did you know that so far this year, we have received 11 new memberships (7 – TR6's, 3 Spitfires & 1 TR3.) This brings our current membership total to 115 members. Your support to RMTC is greatly appreciated. Feel free to let me know if you have any questions regarding your membership. Also, please let me know by December 15th if you had any changes to your contact information so that I may update our membership roster. Finally, I hope that everyone has a wonderful holiday season!

Thank you, Kitty Janiesch

The meeting was called to order at 7:31 pm by President Dick Thompson. Officers in attendance were Dick Thompson, President; Tom Mansfield, 1st V.P.; Dick Fritz, secretary; and Tom Kay, treasurer. 31 member clubs were represented along with one associate member and two individual members. Rick Beets of the CORSA Corvair Club of Colorado and Sara Bain from Hagerty Insurance were welcomed as guests.

Legislative: Leo Boyle was unable to attend.

Nominations for 2019 CCCC officers and election there of: The floor was opened for additional nominations, followed by *complete silence*. Since the current officers have agreed to continue in their present offices, it was moved and seconded that nominations be closed and the current officers be reelected. The motion passed by majority vote with one objection but the First Vice President was overruled.

Meeting with Colorado Department of Revenue officials: John Mack summarized the meeting he, Dick Thompson and Leo Boyle had with Kyle Boyd and Adam Wilms of the DoR to clarify guidelines issued to county clerk and recorders regarding registration of vehicles with **collector series license plates**. The Department is using a new computer system known as CSTARS which may have misled county offices. As reported in an attachment to the October CCCC meeting minutes, there are three categories of vehicles eligible for collector series registration:

- Vehicles built 1975 and earlier;
- Vehicles built 1976 and later that were registered as collector items before September 2009;
- Vehicles at least 32 years of age.

In addition, CSTARS will soon include dual-registration for vehicles with **Year-Of-Manufacture plates**. In any event, it is imperative that owners with YOM plates carry the regular plates as well as certification of the YOM registration with the state.

2019 Air & Ground Show, CCCC Swap Meet and Car Show: Dick Thompson met with Rocky Mountain Metro Airport (RMMA) officials to confirm plans for an air and ground show, to include the CCCC swap meet and car show in 2019. The RMMA officials noted that there are three classes of air shows;

- Class 1: Full professional air shows that may include military teams such as the Navy's Blue Angels or Air Force Thunderbirds;
- Class 2: Hired aerial aerobatic performers such as those putting on demonstrations at the 2018 event;
- Class 3: Performances with arranged fly-bys and fly-ins.

We and RMMA intend to have the 2019 show be of the third category, and RMMA is negotiating for a Class 1 show in 2020. For CCCC, the 2019 swap meet and car show will be in the same area as 2018 and with enhanced parking and shuttle services for spectators and buyers. Note the date of **August 3, 2019** in club calendars

CCCC often receives requests for special cars for weddings. Rich Somers used to handle these but it is not known if he does this or if someone makes a business of providing such vehicles. There were anecdotal stories of the risks of abuse of vehicles so owners are cautioned.

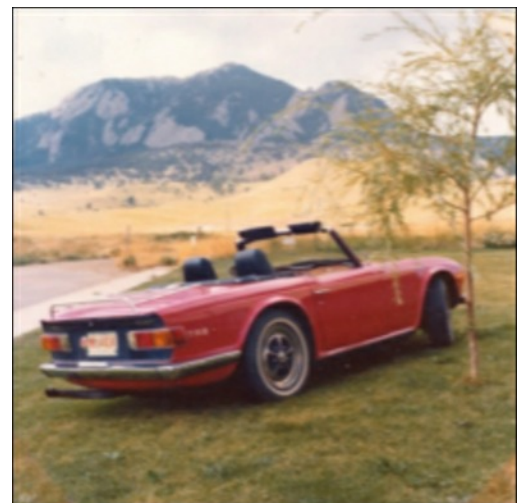

Respectfully submitted, Richard Fritz, secretary

NEW MEMBER CORNER, MEET MIKE & KIM GREENWOOD, reported by Mark Bosler

My interest in cars was through my Dad, a British car mechanic (literally, we moved from England to Boulder when I was a 10 yr old in 1966). He was the owner/mechanic of Boulder Sports & Imports in Boulder until his retirement many years ago (he is now 90). So I grew up with MG's, Jags, Triumphs, Healeys, Morgans etc. My first car was a Ford Cortina GT, that was soon replaced by 1965 TR4A IRS in 1973, then soon followed by a jasmine 1969 TR6, then a 1969 one-owner signal red TR, (photo of that car below, with the 1976 centennial Colorado plates in 1975 after H.S. Graduation).

Marriage and kids did away with sports cars except for a brief time in the early 80s, with a white 1973 TR6 w/overdrive, and a Honda S2000 in the early 2000's. Fast Forward to 2016 and finding a one-owner 1974 TR6 in Longmont, that I am doing a total cosmetic & minimal mechanical restoration (except for a pro doing the paint).

Lucky to have a 90 year expert guiding me through all the mechanicals on the car. Should be ready for events in a month or so. I am waiting on the paint shop, so when that is done, I can put it back together (some photos below). I've enjoyed driving it in the "torn apart" state most of the spring and early summer. Looking forward to meeting the many members of the club. I was aware of club through the web site and conclave attendance over the years.

RMTC BOARD MEETING, MONDAY NOVEMBER 5, 2018

Present: Terry Hughes, Dave Bosh, Arlene Bosh, Mark Bossler, David Durstine, Liz Reed, Brad Reed, Kitty Janiesch, Andrew Janiesch, **Guests:** Deb Bosler, Rod Tompkins
Meeting called to order at 7:00 P.M.

OFFICER REPORTS

Liz- N/A

Kitty- advised we have 114-116 members. Steve Hart and Jeff Rose renewals are pending. Four members have been removed. Letters have gone out. Action Awards advised that due to a change in state laws that rates will be charged on anything being shipped. Locality taxes will now be applicable.

Dave B – has one order for Regalia that needs to be given to Eric Malewska.

David D – Regalia page has not been in newsletter for the last few months because of the abundance of content. It is available on the website.

Brad--Did not have anything for October. He did have one question as to why the month financial report was not in the last newsletter, although nobody complained.

Andrew – Thanked Deb and Mark Bosler for the wine tasting event they hosted. Christmas party is our next event. He is hoping that Brooks Turner and Nancy will host another Chili Cook-off next year.

Christmas Party was discussed. There was a meeting at the Bosler's with Judy and Bob Becwar, Kitty and Andrew Janiesch, Deb and Mark Bosler and Mike and Barb McGuire. The party will have the entrée catered by Lil' Riccis costing \$10.00 per person. Deb said she would do a Maggiano's type salad for the event. Certificates would be given out to those members who hosted an event. Handoff would be done at the January Board meeting to the new officers. Andrew indicated he would need the raffle tickets from Dave B. Desserts would more than likely be from Costco (cheesecake, tuxedo cake, assorted cookies) and would cost \$75.00 or less. Appetizers could include veggie trays, hummus, cheese tray and shrimp cocktail trays. Deb and Arlene said they could do the shrimp. Serve ware etc. is being handled. Board approved pens at \$154.00. Dave B has flashlights from last year.

NEW BUSINESS

VTR 2020 – Request from events coordinator to do VTR in 2020—only a year and a half away! California Triumph clubs put on "Triumph Fest" every year until now. They will now be doing every other year so 2020 will be the first year without Triumph Fest. The event normally pulls 300-400 cars. They figured possibly 75-100 of those vehicles would come to Colorado. 2021 would be a Triumph Fest year plus 10th year for VTR for our club. Terry responded back that we would discuss at our Board Meeting and General Meeting and get back to him as soon as possible. The invite was not sent out to other clubs. Our club did have issues in 2001 and 2011 with the hotel, event site, auto-cross permissions would need to be obtained. Breckenridge and Colorado Springs were brought up as possible sites. We also discussed the future, possibly doing VTR in 2021 or 2022. Deb Bosler brought up that Ann Robins from Driving with Kids and the Lotus club said she has contacts in Colorado Springs as a possibility.

Liz Reed moved to not host 2020 VTR and that an exploratory committee be formed to check out the possibility of the club hosting a future VTR. Dave Bosh seconded the motion. Discussion of Pros and Cons followed. 7 board members voted in favor of motion and 1 opposed. Motion carried. The exploratory committee would have 6 months to report back. Rod Tompkins mentioned he was going to be in Austin TX next year and was going to attend VTR and see what they were doing. He also brought up the magnitude of the event. There would definitely need to be a talent pool and we would need to get interest up among the members if we are to be successful.

A chair- person and co-chair person would be needed for each event. It was also brought up that people get time off to attend and enjoy other events.

Most importantly, a venue and enough people are paramount at this point in time.

VTR national has criteria and guidelines that need to be followed. They supply the awards. The question remains will we have enough support from the club?

Meeting was adjourned at 8:30 P.M.

Respectfully submitted,

Arlene Bosh
