RMTC Christmas Party!

50 Members and guests attended the RMTC Christmas Party, photos start here, more photos and a write-up on pages 4 & 10.

The party started with lots of visiting, and catching-up with some members that we don't get to see very often. That was assisted by appetizers and drinks, which were provided by your board members and volunteers, great organizing by Kitty and Andrew, event coordinators. Below right, Sharon, Kitty, Mark, and Rhonda, setup the buffet table. Fine food!...with many coming back for seconds.

Musings from the Gavel, by the PM

Happy New Year to the Rocky Mountain Triumph Club! I hope everyone had wonderful holidays and have 'recovered' from the hustle, the bustle and the good times with family and friends. I'm very happy to be back on the Board and am looking forward to a productive year with a lot of fun thrown in.

First and foremost, many thanks to everyone who stepped up to serve on the 2019 Board. Thank you to the 2018 Board for all their work on the Club's behalf. Many more thanks to Andrew and Kitty Janiesch, and their committee, for all the work that went into planning the 2018 Christmas Party. It was a huge success!

Your 2019 Board is eager to make this a great year for enjoying and driving our beloved Triumphs. As always, the Board needs your input. Happy or unhappy, let us know. We can't address member's issues if we aren't aware of them. I'll leave you with a favorite quote from Edmund Burke: "Nobody made a greater mistake than he who did nothing because he could only do a little." So, let's all work together to make 2019 one of the best years the RMTC has experienced!

Have a TRiumphant month! – Debbie

RMTC Treasurer's Report

This report is available for inspection at the Board Meeting and at the General Meeting, or by special request. Due to spam requesting bogus disbursements, your board decided not to publish our finances for the whole world to see.

General Membership Meetings are held on the 3rd Tuesday of the month at Piccolo's restaurant. We begin gathering at 6pm for drinks and dinner and start the meeting at 7pm. We may present a program and conclude around 8:30. Piccolo's is located at 3562 S. Monaco Parkway (one block east of I-25 and one block south of Hampden). In June and December, the meeting is held elsewhere as part another club event.

The Rocky Mountain Triumph Club LLC is devoted to the use, preservation and enjoyment of Triumph automobiles and is a chapter of the Vintage Triumph Register. Most members are from the Denver area and adjoining states. We promote "family" memberships, welcoming spouses and children to all club activities.

Outgoing PM Terry Hughes presenting the 2018 **Member of the Year Award to Andrew Janiesch.** Andrew has been very helpful in numerous RMTC activities, such as Events Coordinator on this page. Andrew has also provided many photos, and other material for the *Herald*. He is a great asset for the RMTC! The points system used to establish the Member of the Year is listed in the membership roster. (That sweater had nothing to do with this award)

Christmas Party Photos, continued, and the report by Kitty Janiesch

50 folks attended the 2018 RMTC Christmas Party/Awards Celebration, hosted by Andrew & Kitty Janiesch, it was held at the Arbor House in Golden on Dec 8th. The broad selection of appetizers provided by the board was wonderful! The lasagna, stuffed shells and garlic knots were a hit along with the "Maggiano salad" made and provided by Debbie Bosler. A variety of desserts followed the main meal.

Each guest received a unique RMTC pen that lit up! The Arbor House was decorated for the holiday. The stand out decorations this year were the quilted table toppers (photo right) made & donated by Debbie Bosler. She kept the cloth napkins that she made & donated for last year's RMTC Xmas and quilted them into 8 beautiful table toppers for centerpieces for this year's party. After the meal, these amazing quilted centerpieces were raffled off to 8 lucky winners.

After dinner, PM Terry Hughes acknowledged all the members who coordinated or hosted a 2018 club event or activity. In addition, Terry thanked the outgoing board and welcomed the 2019 RMTC board members. Following club business, the annual Yankee Gift Exchange / Stealing game started! Approximately 36 participants played. At first no one was stealing, however, once the first steal was made, there was no stopping this crowd. Once the game concluded, the Holiday Cash Raffle tickets were drawn. The Pot grew to \$167 through the evening, the full pot was then shared by the first winner Eric Malewska, and then to the second, and third place winners.

We want to thank everyone who attended this year's party and donated their time and an appetizer, along with their great Holiday Spirit! We also want to thank everyone who showed up early to set up and who stayed late to help clean up. This party would not have been as successful without your help. Special thanks goes to the planning committee – Andrew & Kitty Janiesch, Bob & Judy Becwar, Mark & Debbie Bosler, Mike & Barb McGuire for all their work in making 2018 RMTC Christmas party a success!

Above, the corner table is first up to the buffet. Right, Terry starts his last business meeting as PM. Incoming PM Debby Bosler giving a commemorative gavel to Terry for his service.

Right, Debbie being coroneted as the new PM.

There was one TR in the parking lot, driven by Rick Vandenberg. Sorry Shawn, your Citroen doesn't qualify for points.

Burger Hunt Report, by Andrej Galins

It was 2015, my daughter and I were working on the Six one winter weekend. I believe we were upgrading the suspension with Nylatron bushings and a package from GoodParts. She turned to me and asked, “What will you do when the Six is done?” A fair question, and truth be told, I am not sure I will ever be done with the Six, but I turn to her and say, “What would you like to do?” A smile forms on her face and she says, “We should go get hamburgers at every hamburger place in Colorado.”

After some thought, I began to develop a way to include other members of the club. A few more weekends working on the Six and talking it over with my daughter, the RMTC’s Burger Hunt was born. Simple premise, find good burger places, drive our Triumphs to each venue, eat their burgers, score their burgers and award the overall winner with a plaque from the Rocky Mountain Triumph Club.

We did not go to ‘every hamburger place in Colorado’, but with the help of the Denver Burger Club, I narrowed down to about 12 that looked like a good place to grab a burger. We hit a place once a month during the driving season of 2018. I took price into consideration, some places had a \$20+ burger and I felt that was a tad high if we were to do that five or six times, so we did not visit those places, but if you like please let me know how Humboldt at 1700 Humboldt Street does their \$20+ burger.

Here is our list of the places we visited...

Skirted Heifer
Park Burger
TAG Burger Bar
Juicy Burgers & Dogs
Bud’s Bar
Highland Tap & Burger

Park Burger

TAG Burger Bar

Skirted Heifer

Highland Tap

I had about 6-8 RMTC members that came and tried burgers at every place. My ‘partners in burgers’ Michelle my wife and Kaija my daughter, Patrick Huckles and his wife Viv, Debbie and Mark Bossler, David and Arlene Bosh, Kitty and Andrew Janiesch, Dave Durstine and on occasion Ralph Malewska. We drove from Denver to Colorado Springs in our hunt for the best burger. I decided that ‘big chain’ burger joints were off our list. Once the burger hunt team knew the location via an email, we met at said location. I provided score sheets that captured everything from burger appearance, taste, extras, to dollar value. The best overall score was out of 90 points. Our RMTC burger judges also made notes if they felt they wanted me to know something more than the score reflected.

And now to our 2018 RMTC’S burger hunt winner... Now if this was just based on price-point, Bud’s Bar would be our winner at a good burger with no frills for less than 5 bucks.

But that was not the formula we used. Our criteria was based on 9 rated categories; execution, appearance, taste, bun, toppings, fries, quality of service, dollar value and was the burger made to specifications. Again, judges scored all categories best out of ten.

And now to our 2018 RMTC’S burger hunt winner...with an average score of 84, our burger hunt best burger went to Park Burger. Each judge ordered a burger they wanted such as the popular ‘Get Figgy Wit It’ to the house ‘Park Burger’. Please look for an email announcement with a date and time as we will present Park Burger with our plaque. We invite you to join us for a great burger as we enjoy the fruits of our labor.

Just behind Park Burger was Highland Tap and Burger with an average judge score of 80. And finishing out our ‘top 3 burger joints’ was TAG Burger with an average judge score of 75.

If like me you enjoyed this event and wish to do this or something like it next year, please let me know your thoughts and email Andrej Galins at TRdad@mail.com.

Minutes of Meeting, 5 December 2018

The meeting was held at the Forney Museum of Transportation, 4303 Brighton Blvd., Denver Colorado

The meeting was called to order at 7:31 pm (for the fourth month in a row) by President Dick Thompson. Officers in attendance were Dick Thompson, President; Tom Mansfield, 1st V.P.; Samantha Baker, 2nd V.P.; Dick Fritz, secretary; and Tom Kay, treasurer. 34 member clubs signed in along with two individual members.

Legislative: Leo Boyle noted that the recent election of Colorado's legislators and ballot initiatives will bring about definite changes in the legislative landscape. Although the drilling set-back was defeated he expects that there will be legislation to revisit the issue. He also expects that there will be bills dealing with air quality. Statehouse committee assignments are not yet completed but the new chairperson of the senate transportation committee, Faith Winters, and the lieutenant governor, Diane Primavera, are persons we have worked with in the past. The 2019 legislative session will begin on January 4th and end on May 3rd.

2019 Budgets: The individual budgets (Operating Account, Government Relations Account, Swap Meet and Car Show Account, and Cruise Account) were each presented and discussed. The recurring deficit in the Government Relations Account (to pay for our lobbyist) was noted, and ideas to reduce it were discussed. Approval of each of the budgets was moved, seconded, and adopted. The dues and assessment structures were discussed and will remain the same in 2019 as they were in 2018.

Presidents' Night: Our annual Club Presidents Night will be on **February 6** and will focus on encouraging young people to join the car collecting hobby. Location will be at the Lincoln College of Technology, 11194 E. 45th Ave., Denver. We hope that tours of the Center can be arranged. More details next month.

SEMA: SEMA has noted that the US Congress passed legislation in 2015 to allow small volume automobile manufacturers to build turn-key replica cars (as distinct from engine-less kit cars) in the US. The Department of Transportation was directed to implement the law no later than December 2016 but has not done so, thereby stifling an emerging industry. SEMA is urging car collectors to put pressure (by contacting senators and representatives) on DOT to come up with regulations.

The Latest Scoop (TLS) and Old Cars Weekly News & Marketplace (OCW): These two subscription publications offer an opportunity to promote club events in the Rocky Mountain states (TLS) and national (OCW) scenes. OCW in particular virtually omits Colorado events in its calendars because no one submits information. Addresses are provided as an addendum to these minutes.

Forney Museum Support: Dust n'Shine events can assist the museum and provide an interesting club event, likewise club tours which can include guided information about the facility.

The meeting was adjourned at 8:59 pm.

Respectfully submitted, Richard Fritz, secretary

And in other news....

Hemmings Sports & Exotic Car content to appear in Hemmings Classic Car, submitted by David Durstine

In 2017, Hemmings Sports & Exotic Car halted publication with the May issue. After a 12-year run, it was a difficult — but necessary — decision to make, and we continue to receive reader feedback on the beloved magazine's closure. With that in mind, we have a bit of good news to report:

Beginning with the March 2019 issue of Hemmings Classic Car, we'll incorporate a limited amount of foreign and import car coverage within its pages, at least on a trial basis.

As editor Richard Lentinello explains in his February 2019 Hemmings Classic Car column, we're not taking anything away from the magazine readers know and love. The page count dedicated to American classics will remain the same, which means we'll be adding pages to include coverage of automobiles from marques like Alfa Romeo, Austin, BMW, Bugatti, Citroen, Datsun, Ferrari, Jaguar, Rolls-Royce, and others. For many of us in the hobby, our passion extends beyond a single manufacturer and beyond a single country, which is why we believe expanding coverage within Hemmings Classic Car is the right thing to do.

While this is an experiment, we believe it will prove to be a successful one, broadening the appeal of Hemmings Classic Car and working towards Richard's goal of creating the best publication in the collector-car hobby today. That said, we value the opinion of our readers, and encourage you to sound off below, or to email Richard directly (rlentinello@hemmings.com) with your feedback.

The Roadster Factory proprietor, Charles Runyan, has passed away, submitted by Patrick Huckels

Dear TRF Customer,

I'm sorry to tell you this if you haven't already heard, but Charles passed away on Saturday, December 22nd, age 72. Friends, family and customers will be received at The Coventry Inn in Indiana from 2:00-7:00 on Friday December 28th. The TRF will be closed until January 2nd.

I've always been humbled by the love and respect Charles had from his customers and friends. The emails I've received the last few days only reinforce that. I'll be back in touch with you soon.

Best, Albert, TRF

The Passing of Mike Cook, submitted by Gordon Kenney

Michael L. "Mike" Cook passed away on Tuesday, November 27, after a short illness; he was 85. Mike was editor of Jaguar Journal for many years and author of numerous books on both Jaguars and Triumphs.

Born in Winnipeg, Manitoba, Canada, in 1933, Mike moved with his family to Glendale, Ohio, in the 1940s. Like many young people of that era, he became a hardcore sports car enthusiast, and, in 1957, purchased a 1955 Triumph TR2 that he drove to SCCA races at air bases in Columbus and Akron. Mike soon joined the [Triumph Sports Owners Association](#) — a corporate-backed enthusiast group publishing a newsletter that provided information to owners looking to prep their cars for competition, among other topics — and made contact with the Standard-Triumph Motor Company Inc. in New York City, where he would be hired in August 1958 as STMCI's assistant advertising manager and executive secretary of the TSOA.

Employed there as Standard-Triumph became part of the Leyland Motor Corporation in 1961, Mike would continue through the business changes that brought Rover/Land Rover in-house in 1966, before taking a 16-month break to work with Mobil Oil. He returned in 1969, after MG and Jaguar joined the firm under the umbrella of the British Leyland Motor Corporation, and took on the role of corporate PR manager and chair for the BL advertising committee. [He'd see Triumph through its final TR7 and TR8 days](#), as Jaguar Rover Triumph Inc. morphed into Jaguar Cars, Inc. Mike retired from Jaguar (then under Ford control) in 1991, but would come back on a part-time basis to manage the vast British car archives he helped preserve for Jaguar Land Rover, where he'd ultimately work with friend and fellow British Leyland (plus Volvo, Porsche, and more) alumnus Fred Hammond.

Christmas Party photos continue, these taken during the Yankee Swap gift exchange

Above and below, Mike McGuire and Terry Hughes on the prowl for a replacement gift after theirs were repeatedly “stolen”. Below, the group verify's the swap count of the gift Terry is going for.

Above left, gifts staged for the exchange. Above, Kitty explains the rules of the exchange, where one can get a gift from the pile, or take one already opened by someone else. There is a maximum of 3 “steals” of an already opened gift. Below, Shawn from Ax and Allies draws a number for the next one up. Shawn also gifted a Petronix kit that went the maximum 3 exchanges.

Gift serendipity...Steve Hart received a “heart” in the blind drawing, and Sharon Robinson (from England) received a mug set from the Royal War Museum in London, that was purchased by the Reeds during their recent trip there.

Above, Mike attempts to have our new PM Debbie Bosler intercede regarding his problem of being unable to retain the gifts that he has selected.
