Board Meetings are held on the 1st Monday evening of each month at The New York Deli News, located at 7105 East Hampden Ave. in Denver. Dinner at 6pm, meeting begins at 7pm; all members are welcome.

Musings from the Gavel, by the PM

At the May General Meeting, we had time for a conversation about the future of the British Car Clubs in the Denver area. I would venture to say that many share the RMTC's issue of an 'aging' population and a slow decline in membership. I shared my thoughts about the future of our clubs and that the time would come when there will most likely be a British Car Club in the Denver area similar the British Motoring Club of Northern Colorado. We had a lively conversation and the club members present at the meeting tossed out some good ideas. In the course of our conversation, a board member reminded us that we are a volunteer organization - events, drives, board membership - all of these are available to us because a club member volunteered.

There are several benefits to volunteering your time and expertise to an organization of any kind: volunteering connects you to others, volunteering is good for your mind and body and volunteering brings fun and fulfillment to your life. In my several tenures, Minister of Letters and Prime Minister, on the board of the RMTC I have found all three to be true. Moving on, if you couldn't join us at the Spring Car Show, you missed a good time and lots of 'eye candy' at McClaren of Denver. It was a great show and a big thank you to Andrej Galens for setting this all up.

General Membership Meetings are held on the 3rd Tuesday of the month at Piccolo's restaurant. We begin gathering at 6pm for drinks and dinner and start the meeting at 7pm. We may present a program and conclude around 8:30. Piccolo's is located at 3562 S. Monaco Parkway (one block east of I-25 and one block south of Hampden). In June and December, the meeting is held elsewhere as part another club event.

The Rocky Mountain Triumph Club LLC is devoted to the use, preservation and enjoyment of Triumph automobiles and is a chapter of the Vintage Triumph Register. Most members are from the Denver area and adjoining states. We promote "family" memberships, welcoming spouses and children to all club activities.

June 15, 2019 – Before-Fathers Day Lunch & Car Rodeo at the Kenneys

Our club has invited members of the MG club to join us in this annual event so we may have a large turn-out. It's a good event to bring friends and children and to introduce others to the club. Not necessary to have or drive a Triumph for this party but all participants are required to have had a father.

It's a Pot-Luck lunch so bring Hors d'oeuvres, salad, dessert or some other goodie to share and the Kenney's will supply the main dish, water, soft drinks, plates, cups, etc.; BYOB if desired.

Plan to arrive around 11:00 am and we eat at noon (maybe a bit sooner). After lunch it's time for serious socializing and for the car Rodeo. This event is a one car at a time, low speed maneuvering contest and cars stay off the town streets for the event. Scores are generated in three categories and winners recognized. You can also throw darts or horseshoes if you like. The event is usually over by 3 or 4pm but you can come and leave any time. Event is Rain or Shine!

The Kenney's house is at 16921 E. Fremont Ave in the little town of Foxfield. From the intersection of Parker Road (CO 83) and Arapahoe Rd (CO 88) go East on Arapahoe ¾ mile then turn south and go ¾ mile on Buckley Road to the Fremont Ave cul-de-sac. Call them at 303-766-7826 if needed. RSVP is helpful but not required. gkenney22@gmail.com This is also the monthly club meeting

Highway Cleanup, Saturday, July 20, 2019 by Rick & Lynne Lawson

It's time for fun and games, and, oh yes, a little civic duty along the lines of some light cleaning up of Highway 119 above Rollinsville. Bring gloves and appropriate clothing for whatever Mother Nature throws our way. Very stylish bright orange reflective vests and trash bags will be provided.

Meet on Saturday, July 20th at the RTD Park N Ride at the Federal Center Station at 11601 W 2nd Place in Lakewood. From W 6th Ave and Union, go south to 2nd Place, then east to the Park N Ride; meet at 8:45 am and depart at 9:00 am. A secondary meeting place will be at the entrance to Jefferson County Public Works at 9:20-9:30 am, about one quarter mile west on Golden Gate Canyon Rd from Highway 93 in Golden. We will drive up Golden Gate Canyon to Hy119 and to our cleanup location above Rollinsville.

After the Highway Cleanup, we will gather for a group photograph of all the vehicles and then continue for lunch at the Wondervue Café. There we will engage in the Highway Cleanup Challenge and the winner will have his/her name engraved on the "Most Valuable Environmental Specialist" trophy which will be presented at a General Meeting. In addition, there will be rewards for those who find the numbered wooden blocks left for the scavenger hunt along our cleanup route. Hope everyone can join us for this Environmental Project to keep our driving adventures beautiful to enjoy! So, plan on joining us for all the fun on July 20th!

Minutes of the RMTC-LLC Board Meeting of May 6th, 2019 by Gordon Kenney, Minister of Letters

All of the voting members of the board and the webmaster were present. Prime Minister Debbie Bosler called the meeting together at 7:00 pm at the New York Deli News restaurant and asked for board member reports.

Rod T. reported David D. was the only one who had driven a Triumph to the meeting. He reported on the planning for the July 4th event in Evergreen and discussed some of the plans for meeting programs.

Gordon K. said that he will be editor of the "Triumph Herald" for the June issue during David's absence. He asked for all related material, including photographs, to be sent to him by the 24th of May. He and Mark B. discussed the pdf color/BW pages issues.

Jeff H. distributed a several page financial report and told how some of the issues with the Bank had been handled. He will leave the club's checkbook with Rod T. during Jeff's absence later this month. Jeff also reported the club's liability insurance policy was renewed and had a copy available for board members to review.

Andrew J. reviewed recent events and discussed details about the coming events such as the St Francis show this weekend and those related to the Glenwood MG event and our club's agreement to staff one of the check points.

David D. thanked the board members for their submission of material for the newsletter and explained his arrangement with Gordon to edit the June issue.

Mark B. reported the paper copies of the newsletter have been mailed and he discussed some of the problems with the printer company due to their inexperienced staff.

Kitty J. reported that our membership count is 107. She is following the club's guidelines on dropping members who are not renewing in a timely manner but is also contacting them to encourage them to renew.

Andrej G. gave the report on the arrangements made for the car show this month. This is going to be an interesting venue for the club but does require advance registration and timely appearance. The board voted to approve a \$250 donation to the event charity.

Andrew J. has investigated the name tag supplier used by the local Miata club who can supply a more elaborate name tag and mail it directly to the member for about the same cost as we now pay. This would simplify and speed up the process; he will make a follow-up report next month.

Debbie B. asked each board member to review the responsibilities of their club office that is detailed in the By-Laws and to note any changes that need to be made. She will also update the digital copies of the By-Laws and the Operating Agreement.

The charges for classified advertising in the newsletter and on the web site were reviewed; the topic will be revisited at the next board meeting.

Debbie discussed the "Focus" of the club and asked members to bring ideas to the board meeting for issues the club should be addressing. One example discussed was the formation of a new regional coalition of British Car Clubs. The meeting was adjourned at 8:05pm.

These minutes were approved by the board via email 5-14-2019. By Gordon Kenney, MOL

Harrys three Triumphs

Report of the St Francis Car Show of May 13th ***by Gordon K. Photos by Kitty J., Mark B., and Gordon K.***

The 19th, and maybe the last, "Saturday in the Park – Car, Bike and Tractor Show", in St Francis, Ks was attended by several of our members on May 11th. On Friday afternoon Debbie and Mark Bosler drove out in their TR6 and their Porsche, and Andrew and Kitty Janiesch, Gordon and Shirley Kenney and their guest Brian and Jackie Redrupp also made the 200 mile trip.

These three couples each drove their "Mica Red Retractable Roof Miatas" in a 3 car convoy of nearly identical cars.

Several events were cancelled including the tractor and bike rodeos and the unique "chicken bing".

We all stayed in B&B's in town and on Saturday we were joined by Terry Hughes who arrived in his TR7. Bob Klie (who lives nearby) visited us at the show in between his times at the local hospital where Jo Ann is recovering from surgery.

Everyone who registered "won" a prize.

The people voted for their favorite car in each of the 16 classes and Terry, Mark and Debbie received a plaque.

Our club display this year had 7 cars with a TR6 on each end with the TR7, the Porsche and the 3 Miata's in the middle which were displayed one top up, one top down and one with the retractable half-way down. Terry, Gordon and Shirley and their friends the Rerupps came home Saturday PM while the Boslers and Janishs stayed overnight.

It's a fun show in part because it's small town America.

The people are very friendly, the prices for food and lodging are low and one sees all sorts of vehicles and the Motorcycle museum in town adds an additional attraction.

The show had about 50 cars on display including a Studebaker Advanti, 2 Ford "retractable hardtops", street rods, antiques and some project cars. There were also a dozen tractors which were mostly John Deere and International Harvesters models. Seven motorcycles were on display including an older Harley (gearshift and reverse) that the owner said weighted 1,000 pounds.

We all wish Jo Ann Klie a speedy recovery and hope to see her and Bob at a cub event later this year.

***Report of the May 18th RMTC Car Show at the McClaren Dealership,
by Gordon K. Photos by Rod T., Kitty J. and Mark B.***

This annual show was held at McClaren of Denver, part of the Mike Ward Automotive complex in Highlands Ranch on May 18. It was a relatively cool day with increasing clouds throughout the morning, but the threat of rain fortunately held off other than a few misting sprinkles.

As part of the Mike Ward 3rd Saturday of the Month Cars and Coffee event we were treated to all manner of automotive exotica from a 1962 VW 21 window bus to 2019 McClarens, Ferraris, and Lamborghinis, old British Steel and new British and Italian Steel.

There was quite a bit of interest from the general public in our more modest offerings which was part of the intent in choosing this venue. The show was curtailed around 1 pm, earlier than scheduled, so that attendees and their cars could drive over to the nearby STEM School memorial fundraiser/car show for the victims of the recent shooting.

Of the 14 Triumphs that were in attendance, the Member's Choice winner was Mark Bosler's 1975 TR 6, while the Crowd Favorite vote went to Dave Bosh's 1975 TR 6. Obviously, 1975 was a vintage year for Pimento Red TR 6's.

Substitute Editor of the Triumph Herald this month.

Last fall Rod T. and I served as a committee to find and nominate candidates for officers for 2019. We talked to David D. about becoming editor for the Triumph Herald; it is often a difficult office to fill. One of David's concerns was that he is often gone on vacation for a month or so each year and would be unable to do the newsletter.

I had been editor of the clubs newsletter at various times starting more than 20 years ago and was familiar with the task. So I offered to fill in and do the newsletter for him and he then accepted the nomination. This issue is mine and I hope it meets the high standard that David's newsletters have set. And I also hope he gets back OK to do the next ones. Gordon K.

Re Participants from other clubs:

In the report on page 8 of the St Francis, KS, show the names of Brian and Jackie Redrupp are mentioned as friends of the Kenneys. They are from the Jaguar club and are English by birth but lived near Rochester NY for many years before retiring to Denver. They have an XKE roadster and acquired a 2011 Miata last year which is their daily driver sports car.

Brian had bought a 1973 TR6 in the mid 1970's and had sold it after a few years. Just last week Brian received an email from that buyer about that TR6. It now has only 27k miles and is part of the TR6 recognition at the Watkins Glen Grand Prix Festival this year. It was great having the Redrupps along as guests in the Triumph club event and shows how inter-club participation can benefit all involved.

Report of the May 21st Monthly Meeting at Piccolos by Rod Tomkins

Prime Minister Debbie Bosler opened the meeting at 7:02 pm with a heartfelt introduction for a long time, but absent, member, Harry Cornelius.

She noted there were no May birthday members present. Additionally she announced that our guest speaker for the evening had to cancel.

Vice Prime Minister, Rod Tomkins, after polling the members present, determined that there was 1 Triumph in the parking lot, Richard Martin's TR 2000, Mk 2.

He also made note that pictures of the International Drive Your Triumph Day event had been published in the Vintage Triumph, the magazine of the Vintage Triumph Register.

And in fact the cover shot was of our LBCs on the Genessee westbound on-ramp to I-70 with the aforementioned Richard Martin's TR 2000 prominent. He surveyed the members to to determine any interest in attending VTR 2019 in Dripping Springs, Texas in October. Several members mentioned they were "thinking about it." Look for a further survey in this issue.

Debbie then gave reports for absent board members, Gordon Kenney, Secretary; David Durstine, Newsletter Editor; and Jeff Heller, Treasurer. We are solvent.

Mark Bosler, Regalia, showed some regalia items and promoted the ACC Car Show. Kitty Janiesch, Membership, announced we are at 109 members of whom 19 were present. Andrew Janiesch, Events Coordinator, reviewed previous events, the St. Francis Car Show, and the RMTC Spring Car Show. He announced in June we will have the ACC Car Show on June 8, The MGCC Glenwood Rallye on June 7-9, and the RMTC Father's Day Picnic on June 15.

In July there is the Evergreen Music Festival and Car Show on July 4, and August 3 the Front Range Air Show and Car Show. Please see elsewhere in this issue for further information about these events.

Harry Cornelius gave a short synopsis of 3 TRs in his collection that he now has to downsize. They will be listed briefly in the Herald classifieds and at greater length on various websites.

At 7:50 Debbie announced a short break for cookies and the opportunity to purchase tickets in the 50-50 raffle.

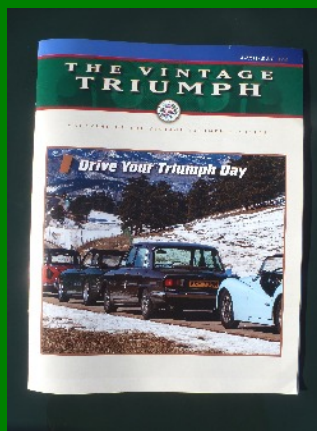

After the break Debbie opened a discussion about the future of the RMTC. She made note of our declining membership and how at some point it might be in the best interests of Little British Car clubs to amalgamate into one major club. She asked for input from the members present as to their views as what might be some strategies to delay or even arrest this prospect. Among ideas presented were the notation that Northern Colorado has its British Motoring Club of Northern Colorado, and how they successfully put on their Oil Spot Rally in the fall for all British makes and models. The MGCC

has its Glenwood Rally for all makes and models, a three day event in June. Debbie cited that Ann and Ross Robbins of the Lotus club were thinking of a LBC event. We have invited the MGCC to our Father's Day picnic. It was also noted that RMTC members need to step up and organize drives and events, although we are an active club in that regard. Debbie threw out the idea of a British Car Council for the Denver area to plan/coordinate events/drives among the clubs.

Brad Reed and the RMTC won the 50-50 raffle.

The meeting was adjourned at 8:35

There were several bills introduced in the Colorado legislature that related to cars but none of those that would have adversely affected our car hobby became law.

One that did pass related to prohibiting gasoline gars from "blocking" charging stations for electric vehicles. It's a sad commentary on our culture that such a law was necessary.
