NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

MGCC RMC 67th Annual Rallye Glenwood Springs, Reported by Kitty Janiesch

Thank you RMTC Members: Debbie & Mark Bosler, Andrew & Kitty Janiesch, Bill Gillespie, Rick & Lynne Lawson, and Ralph Malewska, for working Check Point #1 (photo below) at this year's MGCC RMC 67th Annual Rallye Glenwood Springs! It has been a few years since RMTC has worked a checkpoint, so it took a little extra time to work out the cobwebs, but by the end of our shift our checkpoint ran smoothly. After our work was finished, Andrew & I drove our TR6 top down up to Glenwood to enjoy the rest of the Rallye's events.

Saturday was the Murder Mystery Driving Tour. The drive took us over 200+ miles throughout beautiful scenery – from Glenwood, to the top of McClure pass and back down again, to Marble, then through Redstone, lunch in Carbondale, then the scenic route to Snowmass, then to El Jebel for more scenic views, and back on Hwy 82 to Glenwood! There were planned stops that had clues and packets that drivers and their navigators would pick up to help them discover which esteemed MG Club member committed the murder.

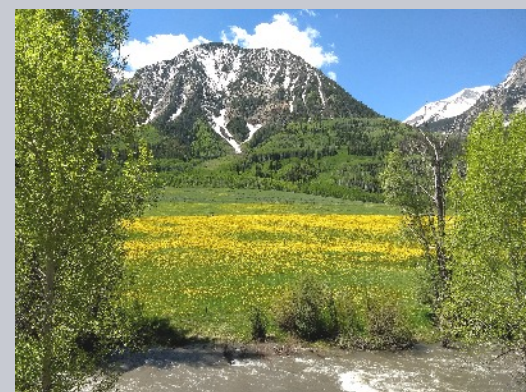

The Funkhana & Car Show was held at Two Rivers park in Glenwood on Sunday. Although this is an MGCC hosted event, the rallye and car show are open to all makes and models. This year there were only 2 Triumphs. MG Club members were very appreciative for all checkpoint workers and event participants. For those looking to do a huge driving event, this weekend will add on 600 miles plus, and a great way to support another British car club!

June 15th General Meeting / RMTC Annual Father's Day Picnic & Auto Rodeo Reported by Rod Tomkins

On Saturday, June 15, 37 members and guests of the RMTC gathered at Gordon and Shirley Kenney's home in Foxfield for a pre-Father's Day Picnic and Car Rodeo. We were joined by several members of the Jaguar and MG clubs, and a beautiful old Riley "drophead" coupe. After socializing and eating, and it was good, from pulled pork to salads, to scrumptious desserts, we assembled for a driver's meeting for the Car Rodeo.

There were three events, with contestants given two rounds each. First there was "Stop on a Dime", followed by Closest to the Pole, and finally the Parallel Park. The "spectators" were highly amused by the ineptness of some of the contestants, but it was all in good fun. And the winners were..... Stop on a Dime - John Fraoli in his MGB, Closest to the Pole was a tie, between Greg Kenney in his Corvette and Jeff Heller in his TR 6, which was settled by a remarkable display of manual dexterity by Jeff Heller, see accompanying photo. The Parallel Park was won by Dave Bosh in his TR 6.

The overall winner, based on a total score for all three events was Andrew Janiesch in his ,,,,,,,wait for it..... TR 6. Well done to all the contestants, and notably there were several ladies too! We were fortunate to have good, if threatening, weather for the picnic and rodeo, but not necessarily for some members and their trip home. It can be said, A good time was had by all, with many thanks to Gordon and Shirley for their generous hospitality.

Above, a fine turn-out of Triumphs and visiting
Below, clouds threatened, but most got home dry

Above, ?Jeff will stop on a dime, while Barb tests how close she can come to the pole without dropping the ball on top.

The 36th Annual Concours d'Elegance, Sunday, June 9th Hosted and reported by Mark Bosler

Another successful show for Ability Connection Colorado (ACC), and the children they serve, even though the day started out chilly and windy. We even had a quick rain shower mid-morning, but it did not seem to dampen anyone's enthusiasm. As usual, there was a lot of interest in our cars and we had a lot of 'People's Choice' ballots to count.

We had 9 Triumphs in the show. Our 10th Triumph, a beautiful TR250, didn't make it since her owner, Joe Miltimore, was delayed in Chicago and couldn't get back to Denver in time for the show.

Thank you to Barb McGuire (TR3A), Andy DeVisscher (TR4A), Dave Bosh (TR6), Mark Bosler (TR6), Mark Jekot (TR6), Richard Martin (Triumph 2000), Rick Emmelhainz (Spitfire), Ralph Malewska (TR6) and Brad Reed (TR7) for participating.

- First Place: Mark Jekot TR6 (lower right)

Highway Cleanup, Saturday, July 20, 2019 Hosted by Rick & Lynne Lawson

It's time for fun and games, and, oh yes, a little civic duty along the lines of some light cleaning up of Highway 119 above Rollinsville. Bring gloves and appropriate clothing for whatever Mother Nature throws our way. Very stylish bright orange reflective vests and trash bags will be provided.

Meet on Saturday, July 20th at the RTD Park N Ride at the Federal Center Station at 11601 W 2nd Place in Lakewood. From W 6th Ave and Union, go south to 2nd Place, then east to the Park N Ride; meet at 8:45 am and depart at 9:00 am. A secondary meeting place will be at the entrance to Jefferson County Public Works at 9:20-9:30 am, about one quarter mile west on Golden Gate Canyon Rd from Highway 93 in Golden. We will drive up Golden Gate Canyon to Hy119 and to our cleanup location above Rollinsville.

After the Highway Cleanup, we will gather for a group photograph of all the vehicles and then continue for lunch at the Wondervue Café. There we will engage in the Highway Cleanup Challenge and the winner will have his/her name engraved on the "Most Valuable Environmental Specialist" trophy which will be presented at a General Meeting. In addition, there will be rewards for those who find the numbered wooden blocks left for the scavenger hunt along our cleanup route. Hope everyone can join us for this Environmental Project to keep our driving adventures beautiful to enjoy! So, plan on joining us for all the fun on July 20th!

Anybody up, or down, for a nice little drive to Dripping Springs, Texas for the **2019 Vintage Triumph National Meeting?** Dripping Springs is about 30 miles north of Austin, in the Texas hill country. Oh yes, how far? Just over 900 miles from Denver. A nice three day drive, or two if pushing it. The convention runs October 6-11, so figure about 8-10 days for travel and the convention. There are several members "thinking about it". If you would **like to be in that group**, or are "thinking about it", let Rod know, 303-906-3193, and we'll take it from there.

And even more event detail and news of interest!

Our August 20th meeting speaker, arranged by Mark Bosler

I was looking at having a clear bra put on the front of my car. During a stop at Ax & Allies, a guy recommended **Colorado Clear Bra**. I went there and talked to Kirby who is the president of the company. He explained that they would cover the front of the car, except for the grill, and that they would cover the headlights. We set a date for the work to be done. When I arrived, I talked with Nic Killian and he explained in detail the materials they would use and how it would be applied to the car. I won't go into detail because Nic will be at the August General Meeting to tell you everything you need to know about what they do at Colorado Clear bra. Hope to see you there!

A memorial note by Gordon Kenney

David and Marilyn Farrell of Monument, CO have been members of the RMTC for many years but have not been very actively recently. They showed their beautifully restored TR250 and won first in class at the last VTR in Breckenridge.

Marilyn passed away June 25th after an extended illness with David at her side, in a Hospice facility in Colorado Springs. No memorial services are planned at this time.

A huge **thank you** to **Gordon Kenny** for being Substitute Editor of the *Triumph Herald* in June.

As Gordon notes in the June *Herald*, your Editor takes extended travel from time to time. It is a great comfort to have an experienced hand who can ensure an on-time delivery of your newsletter during those times. Gordon's experience also shows when he adds some nice stylistic and appearance flourishes to the *Herald*, a break from my usual cutting and pasting. With Gordon, and, during last year's travel, Eric Malewska, around to help, your newsletter is in good hands! – Editor

Ned Avery brought a large box to the June 15th party, containing a nearly complete set of RMTC "Triumph Heralds" to add to the club archives. The club was organized in 1983, and the October 1984 (Volume 2) issue carried an article about the "First Annual Conclave", which showed the lineup of Triumphs. That issue lists Rhonda Mott, who is still an active member, as President. It also listed 101 of the members Triumphs including Paul Dierschow's 76 TR6, the 76 Spitfire of Bob and Rhonda Mott and the TR250 of Ned Avery; Ned drove that car in the recent car Rodeo at the Day-before-Fathers Day event. It's great that we have active members who have been a part of the club for 35 years.

Minutes of the RMTC-LLC Board Meeting of June 3rd, 2019

reported by Gordon Kenney, Minister of Letters

All of the voting members of the board were present except for David Durstine. Prime Minister Debbie Bosler called the meeting together at 7:01 pm at the New York Deli restaurant and asked for board member reports.

Rod T. discussed the monthly program speakers with Alan Magnuson, scheduled for the June meeting and Nick from “Clear Bra” scheduled for August.

Gordon K. reported he had served as “Newsletter Editor” for the June issue for David D. who was on vacation. It was agreed that whoever hosts/plans an event is responsible for writing it up for the newsletter. Gordon also discussed the June 15th Fathers Day event at his house; the MG and the Austin Healey club have been invited to join us.

Jeff H. distributed a several page financial report and thanked Rod T. for handling the treasures duties during his absence last month. He said there were 16 paid registrations at the May Car Show which covered the expense (not including the \$250 donation to the charity).

Andrew J. reviewed recent events and discussed details about the recent Car Show held at McLearen of Denver. The clubs coverage of a Rallye check point with the MG-Glenwood Event is scheduled. Andrew said the hosting of the July 27th Air Show viewing by Bill Gillespie near Bennett will be arranged so the food will not be Bill’s responsibility

Kitty J. reported that our membership count is 110.

Mark B. reported the paper copies of the newsletter have been mailed and he mentioned how the club has been getting full color copies printed at B/W prices.

Andrew J. has reported on the name tag supplier used by the local Miata club who will make a name tag and mail it to the member for \$9.00, saving of both time and money for the club. The size and format for the tag was discussed and he will bring a final agreement to the next board meeting.

Debbie B. reported that she had replied to David Pitcher and told him our club has discussed the possibly of hosting the national VTR meeting. She said we had decided we would NOT be doing that in the near future due primarily to the lack of club volunteers. She also discussed various ways to help the club members to get photos of their car posted on the web site. A change in the Operating Agreement was made to have the club’s financial year to be the same as the calendar year. The board voted to **not hold a Board meeting in July** due to absences and conflicts with July 4th events.

Mark B. said that the club will “rent” a tent and tables & chairs for \$85 from the ACC organization for the June 9th ACC show.
