Wine Tasting, hosted and reported by Mark and Debbie Bosler

Wine Tasting 2019 - The weather held off for us, which has often been our good fortune in the past. We had 14 at the tasting this year, including new members Mike and Caroline Jankowski, whom everyone enjoyed getting to know. We started the evening with a toast to the engagement of Brooks Turner and Nancy Vogel! Congratulations! Even though it was a smaller group than usual due to Halloween party conflicts, we had lots of good conversation, plenty of wonderful wines to taste and some delicious appetizers. As many of you may know, we are moving to Kentucky in 2020, so this was our last wine tasting, unless someone in the club decides to continue it. We have really enjoyed hosting this event for the last 7 years!

Musings from the Gavel, by the PM

November!! Already!! We have 2 big holidays this month: Veteran's Day on November 11th and Thanksgiving on November 28th. So - thank a VET for their service, perhaps in the words of Daniel Crenshaw, former United States Navy SEAL officer serving in the United States House of Representatives for Texas' 2nd Congressional District. He encourages Americans to connect with veterans by telling them, "Never forget," instead of, "Thanks for your service." (*My choice, speaking a Veteran - Editor*) And then there's Thanksgiving. Enjoy your turkey and your family, friends, or whomever you spend the day with.

This month also brings us the **RMTC Board elections** and our last General Meeting for 2019. Thank you to all who stepped up and put their name on the ballot. There is a **mail-in ballot** in the newsletter, page 9. Please write BALLOT on the bottom corner of the envelope and be sure it is in the RMTC post office box (ref the bottom of page) by the Friday before the General Meeting, which is November 19th.

***The Board approved 2 changes to Article VIII of the RMTC, LLC Bylaws at the October board meeting. The changes, designed to make the board's operations have significantly less demands on its officers, are in this newsletter, page 9. You must be at the November General Meeting if you wish to vote on these changes.

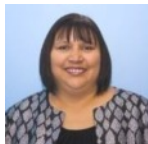

Did you know - November's full moon was traditionally called the Beaver Moon. Why this name? In the Colonial Era, this was the month to set one's beaver traps before the swamps froze and beavers retired to their lodges, to ensure a supply of warm winter furs. All we have to do is order something warm from Amazon!

Let the good times roll!

— Debbie

Board Meetings are held on the 1st Monday evening of each month at The New York Deli News, located at 7105 East Hampden Ave. in Denver. Dinner at 6pm, meeting begins at 7pm; all

October 7th Board Meeting, reported by Gordon Kenney, MOL

Prime Minister Debbie Bosler called the meeting to order at 6:50 P.M. at the NYDN with all voting members present and began by calling for officer reports:

Rod T., VPM, and Gordon K., MOL, gave brief reports.

Jeff H., Treasurer, distributed a multi-page financial report. There have been several new members paying dues and the club is doing well financially. He holds the club's credit card and it is used primarily to pay for web related costs.

Andrew J., Events, reported on recent past activities including the "Oil Spot Rally" they attended, and then discussed upcoming events such as the "Estes Park Drive", the "Wine Tasting" event and the "Remember When" visit.

Kitty J., Membership, reported that we have 113 members with 9 joining recently. She is using a new vendor who will mail name badges directly to the member. This simplified procedure is less costly and requires less work from the club. She will detail the procedure for members to obtain new badges directly from the supplier. (Details on page 10)

Mark B. Reported that we currently mail 42 newsletters directly to members.

The outgoing RMTC Board meeting, everyone is still smiling after a year, and enjoying a little social while keeping your club going. *How about taking a turn at it?*

Two proposed By-Law changes were discussed and those changes will be presented to the membership at the October 15th meeting.

Article VIII - Board: Section 2, new item "c": *The PM may cancel any upcoming board meeting except for the required April LLC meeting but a minimum of 6 board meeting per year must be held. A board meeting may be held in conjunction with the regular monthly meeting or at some other club event.*

Article VIII - Board: Section 2, new item "d": *The PM may request board voting on motions which have been made and seconded and do not involve changes in the By-Laws or financial impact on the club over \$1,000.00, by obtaining board votes via telephone, text, e-mails or by personal conversations.*

The Board discussed some of the problems of handling "cash". We will continue to accept cash but will work on simplifying the procedures while still ensuring adequate tracking.

The club meeting at Hagertys in Golden last month was discussed. It was concluded that it was "OK" but there was no interest expressed in doing it there again due primarily to the food issue and it's location.

Rod and Gordon are the nominating committee for the 2020 board elections and submitted a slate of nominees who have committed to serve if elected for all of the elected positions. They are as follows:

Prime Minister - Liz Reed	Vice-PM - Eric Malewska	Minister of Letters - Gordon Kenney
Treasurer - Jeff Heller	Events - Sharon Robinson	Newsletter - David Durstine
Membership - Mike McGuire	Regalia - Bill Gillespie	

This slate will be presented at the October meeting; additional nominations may be made at that time.

The planning for the Christmas Party at the Arbor House was discussed by Kitty and Andrew. The format and costs will be similar to last year.

It was decided that Kitty would prepare and distribute the new club roster after Jan. 1, 2020.

The Board then discussed the "Member of the Year" program. It's a labor intensive procedure to collect accurate attendance rosters from each event, determine who drove a Triumph, who "organized" the event, was it part of their Board duties, was it advertised in the Newsletter, was it an actual RMTC event, did someone "host" the event or was it just "organized", did someone recruit a new member, did any members write something for the newsletter, did someone arrange a program speaker and the list goes on. The discussion centered around the idea of recognizing the member who "contributed" to the club the most in the preceding year not just who attended the most events. We also need a program that would be easier and quicker to implement. This year the MOY will be determined by the "old guidelines" but the new 2020 board will need to reconsider if and how this program will go forward.

The meeting was adjourned at 8:20.

Fall Drive to Fire Apparatus Restoration, Hosted and Reported by Mark Bosler

On Saturday October 12th, 11 club members met at Kitty and Andrew's in Golden, for a drive up to Estes Park to visit Fire Apparatus Restoration. The day was absolutely beautiful for a drive and three hardy souls drove their TR6's. Doug Klink, who is the owner of Fire Apparatus Restoration, gave us a wonderful tour of his place. There were some amazing fire trucks, from a 1901 Waterous Steamer that was horse drawn, to a series of Ahrens Fox's that were works of art. Doug also had a couple of cool cars: a 1952 British Allard K2 racing car and an 1966 Amphicar (yes ,a vehicle you can drive on land or on water) (and yes, it is a German car with 1200 cc Herald engine). Kevin Spooner, owner of British Sports Werks, one of our advertisers, and driving his TR6, joined us at Doug's and then for lunch at the Estes Park Brewery. After lunch, we visited Kevin's shop and had a nice tour. He has a very nice shop and next time you're in Estes Park you should visit. After our tour of Kevin's place, the group decided to drive the Peak to Peak Highway back to Kitty and Andrew's. Kitty and Andrew are such great hosts that we had a little cheese and wine before everyone headed home.

NEW MEMBER PROFILE - MIKE JANKOWSKI

As written by Mike Jankowski, coordinated by Mark Bosler

1) I got interested in cars because my dad had several amazing cars before he was married. My wife Caroline married into the scene, as I have married into the equestrian scene (she's a professional Hunter/ Jumper competitor, coach and trainer). Dad had an MGA, he bought a Triumph TR3a new in 1959, MGs, Triumphs, etc. Dad also was a crew chief for Briggs Cunningham all over the East coast as well as racing himself. He still has some of the trophies and cups he won all those years ago. So I grew up hearing all these stories, going to Lime Rock Park with him, and we had a 1966 Spitfire for a number of years when I was in preschool and into elementary school. Plus in the Hudson Valley of N.Y. in the 70's and 80's, there were lots of Triumphs, as Tara Motors sold them in Poughkeepsie on Rte 9. It was a highlight of a trip to my dad's side of the family in Cold Spring, to drive by and see all the cars on the lot. The interest never died to this day.

2) Favorite cars - oh boy. A Maserati 3500 GT, an MGA Twincam coupe, and my most recent Spitfire 1500, as well as a GT6 MK3 I had over 20 years ago. All of them (over 40 Triumphs alone) each have a distinct trait I love. Currently the 1980 TR8 in my life is a favorite because it just does so much so well so comfortably. My Spitfire 1500 was mainly built to be a giant killer in autocrossing, so it was NOT comfortable. The Porsches were all somewhat overrated in my mind. I never got out after driving one thinking "jeez, I love this car" like I do with Triumphs and MGAs.

3) First Triumph was a 1967 TR4A IRS. Wire wheels, biscuit interior, BRG paint. Then I began a long period of buying, selling and trading pre 1980 European cars. It's a hereditary disease from Dad.

4) I found the RMTC through Facebook and a VTR chapter search. Sharon Robinson was crucial in getting me involved as soon as we moved up here from Austin, TX. Here is a picture of my Spitfire and the TR8 at my Aunt's house on Lake Conroe TX, at the VTR South Central Regional in 2018. Also here is an action shot of my Spitfire at Nationals during the autocross at Lake Texoma in 2016. The Spitfire was sold in August before we moved up to Colorado Springs.

BMCNC Oil Spot Rallye, RMTC Group Coordinated and Reported by Sharon Robinson

We had a great turnout for the 23rd annual BMCNC Oil Spot rally. We met bright and early along I-25 and convoyed up to Loveland, it was a European group of Triumphs and 3 Citroen's - lots of thumbs up en route. There was a chilly start to the rally, but lots of fun as everyone dressed up in tacky tourist garb.

The weather warmed up quickly and the drive was gorgeous, especially around Horsetooth reservoir where the leaves were turning - there were a couple of tricky directions, especially the dreaded Glade road, where just about everyone had to double back. The questions were fun and quirky as usual - most of us got at least a few.

We ended up in Loveland where the BMCNC had a catered BBQ lunch, and lots of prizes, including the annual largest and the most artistic oil spots under the cars. In total, there were 42 cars and 76 people.

Thank you to the BMCNC and especially Jean who juggled all the entries for another fantastic rally.

Our group included:

Sharon & Emily Spitfire, James & Craig TR3, Kitty & Andrew TR6, Eric TR4, Richard Citroen DS, Ted Melissa & Adrien Citroen DS, Lance Citroen DS, Debbie & Mark TR6

Tacky tourists above are Ted Ax, Kitty and Andrew, Sharon and Emily, and Monsieur Richard at left. Winners Paul & LaDonna & Mini
