NEWSLETTER OF THE ROCKY MOUNTAIN TRIUMPH CLUB

YOUR 2024 RMTC BOARD

Here are the elected board members for 2024. There were two mailed ballots and 28 emailed ballots. The club is very fortunate to have several new people join the board, and some previous board members who have served numerous times step in to fill different positions. The combination of previous experience and the fresh perspective of new board members will be very helpful. (Is it too soon to say please run for the 2025 board?)

The first board meeting will be on January 8th at Jeff Heller's house. That meeting will be for the outgoing and the incoming board members to handoff material and experience / hindsight to the new board. Board meetings are usually held at the NYDN (see p.3), but sometimes we go past the 8 PM closing time if it is a busy session. So we want to avoid time pressure on the crossover meeting. Members are always invited to board meetings, this one may be used to test drive online Zoom attendance. If so, log in information will be emailed.

Musings from the Gavel, by outgoing and incoming PMs

Greetings and a very Happy New Year RMTC Members!

We, the 2023 and newly elected 2024 RMTC Board hope that you have enjoyed a superb holiday season and look forward to a splendid and bountiful New Year! This will be my last Musing and I must say it has been an honor and a pleasure "commanding" the ship for the past three years! Fortunately, there has been no felonious moperly nor even hints of mutiny! All kidding aside, you, the members and my fellow Board members have made this a very pleasant cruise. As some of us disembark from the the good ship RMTC and others embark to take this vessel on its next cruise, please welcome the new faces on the Board as well as those who have generously opted to take another turn at the helm, navigation, etc. What's with the nautical motif? I simply love maritime history. One can learn a tremendous amount of knowledge from our nautical past.

That being said, it has only been through that sense of volunteerism that the club has flourished these many years. One can sit back and hope the same cadre take charge of our club events be it drives, presentations at the general meetings, social events, etc. If one thinks "well, we always do the same things" then grab the tiller and chart a new course. It is easy, fun and rewarding! Serving on the RMTC Board is a lot easier and satisfying than one might think!

This Musing will be shorter than most because it is "transitional". Our new Prime Minister is Mrs. Kitty Janiesch! Please know that we have a very experienced hand commanding the ship. She will do very well guiding RMTC to new heights. Please understand, however, this is our club. Please help the 2024 RMTC Board achieve new goals by contributing in any way! Thank you one and all for helping me lead you the past three years. None of that would not have been possible without a superb Board and supportive members.

Cheers and Happy New Year, Richard

"New year—new verse, a new chapter, or just the same old story? Ultimately, we write it. The choice is ours." - Alex Morritt.

I appreciate the opportunity to serve as your 2024 Prime Minister. I am looking forward to a busy year full of fun Triumph Club events, drives and change. I want to thank the 2024 Board members who chose to step up to serve and keep the Rocky Mountain Triumph Club, LLC running. Also, thank you to our 2023 Board members for all their work on the Club's behalf. Thank you to everyone who made the choice to attend our 2023 meetings and events and those folks who hosted or coordinated a 2023 RMTC event and/or drive. I want to give a special shout out to Jeff Heller and Andrew Janiesch who did a tremendous amount of planning and work to ensure the 2023 Holiday Party was a huge success!

I want to thank Mike Jankowski for all his time, tireless work and patience researching venues for the chance to host VTR in Colorado Springs. Unfortunately, Mike was not able to find a location for the required Autocross so 2025 VTR is a no go.

At the Dec 4, 2023 meeting, the board approved the purchase a Zoom speaker/microphone, a Zoom Pro Membership, and a webcam. Our meetings will still be in person, but our hope is to offer online access to board and general meetings for folks who may live too far away to make a weeknight meeting. We will be incorporating Zoom access for Jan 17th general meeting as well as a special event on Feb 17th at the Forney Museum (check out the events report for more details!) Happy New Year! - Kitty

The Rocky Mountain Triumph Club LLC is devoted to the use, preservation and enjoyment of Triumph automobiles and is a chapter of the Vintage Triumph Register. Most members are from the Denver area and adjoining states. We promote "family" memberships, welcoming spouses and children to all club activities.

RMTC Board Meeting Minutes for December 4th

David Durstine opened the meeting at 7:00 p.m.

Attendees: David Durstine, Jeff Heller, Chuck Woodward, Kitty Janiesch. Roger Mathis attended via Zoom which ensured there was a quorum. Guests: Tamara Durstine and Andrew Janiesch

January meetings confirmed. The 1/8/24 Board Meeting will be held at Jeff Heller & Gwen Jensen's home. Pizza, salad, beer, and wine will be served. Dinner starts at 6 p.m. and the meeting at 7:00 p.m. This is the "Handover" meeting so that the outgoing board members can transfer their files and information to the new, incoming board members. Jan General Meeting will be held on 1/17/24 at New York Deli News.

Newsletter discussion - David will contact Eric and plans on handling the Jan Newsletter since he will be traveling during the January 8 handover meeting

Christmas Party Planning - Jeff received 41 RSVP's and will send email blast to attendees only, to remind/confirm their attendance. Jeff has been coordinating with Andrew & Kitty on the shopping lists and the party schedule. 4 to 5 is set up, appetizers at 5, dinner starts at 6 and will be served by Lil' Ricci's. Andrew Janiesch is coordinating Door Prizes and Holiday Raffle and Yankee Swap Gift Exchange.

Jeff Heller presented the Treasurer's report.

Andrew provided a VTR update from Mike Jankowski. After all his hard work. Mike could not secure an Autocross location. Update will be shared at the Holiday Party.

Andrew & Kitty discussed guest speakers - Jan General Meeting at New York Deli News and Feb 17 extra meeting held at the Forney Museum. Andrew will provide more details in the Jan Events Report.

Kitty requested approval to purchase a Zoom PRO Subscription for \$150/year, Jabra speaker/mic for \$62 and webcam for approximately \$60 - \$75. These purchases would allow the club to provide more online presence and flexibility for members & board members who cannot always attend a meeting in person. The Zoom Pro Subscription allows unlimited time to host online meetings for up to one hundred people. This subscription also allows for livestreaming and the ability to record meetings. Chuck moved to purchase this equipment. Jeff seconded. The motion passed unanimously.

Reported by Kitty Janiesch for Steve Girkins, who was traveling

General Meetings

We meet quarterly at The New York Deli News, located at 7105 East Hampden Ave. in Denver, on the **3rd Wednesday** of the month. We start to gather around 6 PM in the back alcove, meeting starts at 7 PM.

DRIVE YOUR TRIUMPH DAY, Saturday, February 10, 2024

I'm Rye Livingston, a member of the Triumph Travelers Sports Car Club located in Northern California, and I wanted to extend an invitation to all Triumph and Standard owners worldwide to join us in commemorating Sir John Black's Birthday.

Since its inception in 2016, Drive Your Triumph Day has gained remarkable traction. I've received hundreds of photos from participants across the globe: England, Scotland, Ireland, Wales, New Zealand, Australia, South Africa, Uruguay, Netherlands, Germany, Switzerland, Finland, Canada, Holland, Czech Republic, and the USA. With this year's event falling on a Saturday, I'm hopeful that we'll have even more participants!

Participating is easy – on February 10th, take your Triumph or Standard out for a spin. Whether it's a solo drive on a scenic country road, a leisurely outing to lunch, or a commute to work, seize the moment. Bring along your spouse, friend, child, grandchild, or even your furry companion, and take a photo. The focus should be on the car, ideally with the owner or passenger situated against a cool backdrop, landmark, scenic vista, or even in your driveway. If it's the middle of the winter where you live and your car is in hibernation, or in the middle of a restoration, take a photo of it in the garage. Embrace creativity and have fun with it!

Once you've captured the moment, email a high-resolution photo to driveyourtriumphday@gmail.com, accompanied with some basic details: owner's name, year and model of car, and place photo was taken (city, state, country). The photos will then be published not only in our club newsletter and website, but also in USA's national magazine: Vintage Triumph Registry, and on the Drive Your Triumph Day Facebook page.
Best Regards, Rye Livingston

The Roadster Factory burned to the ground 12/25/23

There have been some recent Social Media posts from VTR and other LBC media about some fundraising and other types of support for Albert Runyan. An edited excerpt and photos copied from local media follows.

ARMAGH, Pa. – More than a dozen fire companies from two counties were called out around 1 a.m. Monday for what officials are describing as a total-loss commercial structure fire on the 300 block of Killen Road in Indiana County.

Nearly 12 hours later, crews were still at the scene, dousing the rubble of The Roadster Factory in water. "I would think we're going to be here for 20 hours," Armagh Fire Chief Tom Fry said. "And then we're probably going to get called back." The state police fire marshal has been contacted to investigate the cause of the fire at the Armagh location, he said.

The roughly 48,000-square-foot facility was engulfed in flames throughout the early hours of the morning while more than 100 firefighters surrounded the structure and tried to contain the blaze. As the sun rose on Christmas morning, all that was left was a gutted brick structure in the front of the business and smoldering ruins behind.

Firefighters managed to pull a few antique cars from the showroom. The vehicles later sat on the lawn in front of the factory, but the full extent of the loss was unknown.

Once the flames were under control and just billowing smoke remained, excavators were called in to move sections of metal roof and other refuse to reveal hotspots and allow firefighters to continue dousing the debris.

Many stood in awe of the devastation in front of them, including employees and the owner, Albert Runyan, who declined to comment. The Roadster Factory specialized in classic British sports cars and was a British Motor Heritage Approved Supplier that provided enthusiasts with direct access to original equipment parts when available, as well as custom pieces that met original specifications.

"It is the goal of The Roadster Factory to make it as easy as possible for our customers to drive, maintain and restore classic British sports cars for fun, for transportation, for racing, or for show as they desire," the company's website says. "To this end, we stock everything from major components to nuts and bolts, and we provide free copies of parts catalogues for individual models."

RMTC 2023 Christmas Party

There was a mix-up on when the party room would be available, so the setup group had to wait for most of an hour outside. In the mean time, the party supplies were staged outside the door so that we could move in as soon as the timed access code worked. Kitty served eggnog and rum, reducing our pain somewhat as we waited outside. Setup proceeded quickly once the door unlocked, we had many hands from the early arrivals to help out. The Christmas tree was setup and decorated in record time, tables setup and decorated, and furniture rearranged.

Some people brought hors d'ouves and wine for starters while the caterer setup and brought in the food. After an hour of socializing, food was served, along with some fine sweets for dessert provided by the members.

As people ate, some announcements were made by the outgoing board members, acknowledging activities, notable events and extra efforts during the year. Mike Jankowski made a huge effort to gather elements needed for RMTC to host the 2025 Vintage Triumph National Meeting, but couldn't quite close the gap, maybe 2026? Jeff Heller has streamlined timely email notifications of upcoming activities, detailed financial reporting, and contacting our advertisers and others. Richard Martin is completing his third year as PM, getting it done while dealing with COVID and a busy work schedule. Eric has finished his fourth year as editor, and has kept the newsletter on schedule during a demanding time for issues in his family.

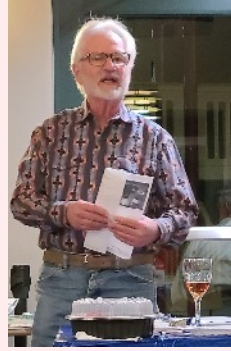

Many thanks to those who hosted activities during the year, because the board not only can't do everything, it would be a rather boring club if was only them. (And anyone who wants to run with the "boring club" comment is welcome to host an activity, send newsletter material, find speakers for our meetings, or you name it.) Several of our newer members have written profiles of themselves and their cars, your editor can interview you to do the same.

Above, Kitty keeps us warm with rum and eggnog as we wait.
Sharon will test drive anything.
Party bosses Kitty and Andrew, also big help from Steve and Sharon, Jeff Heller who coordinated the food, the Bosh's for the room.

Christmas party, continued

Richard acknowledges contributors to club activities, and Mike Jankowski for his efforts to host 2025 VTR

Andrew MCs door prizes and goodies, and Mike J making a choice during the Yankee Swap gift exchange. Ted Ax wins the best door prize, a set of sheepskin seat covers

Below, Roger and Lynda Mathis conducted a mystery drink taste contest, won by Sharon Robinson, known for making tasty treats herself.

Right, yes there was one LBC in the parking lot, which could not be identified by our spotter.

ZOOM Meetings

As noted in the board meeting minutes, Zoom video meetings will be available in 2024, to save you the drive.

There are multiple ways of joining a Zoom meeting:

Use your computer browser or install the Zoom App on your phone or tablet.

For the phone or tablet, open the app, then;

On the meeting invitation, touch the Invite Link, then Input a Meeting ID number.

How to join a zoom meeting using your computer browser.

1. Open your Browser, probably already open for email, click the emailed meeting link, then “launch meeting”
2. Or - Go to join.zoom.us and click “JOIN A MEETING” in the upper right corner
3. Enter your meeting ID provided by the host/organizer (usually 10 or 11 digit number)
4. Click JOIN.
5. Enter the Passcode when prompted.

If you haven't used ZOOM it just takes a few minutes to learn. There are some great YouTube videos on how to log on for the first time. “Joining a Zoom Meeting” is about 3 minutes 30 seconds long to watch and can be found here: https://youtu.be/pAMDxH_H-Cs?si=b-NbHS9iIVHzUAA_ . For a more in depth tutorial check out “Joining a Zoom Call for the first Time; fun and Easy Online Connection:” https://youtu.be/9isp3qPeQ0E?si=LRXOo5GFLeA_3nrB . If you run into any difficulties, just reach out to Kitty Janiesch at 303.408.9103 prior to any scheduled Zoom meeting and she will try to help.

Collector Car Council of Colorado, Inc.
Minutes of the December 2023 Meeting (edited)

The meeting was held at the Forney Transportation Museum, 4303 Brighton Blvd., Denver.

Legislative: Leo Boyle mentioned that he had attended the November 8 hearing at the Capitol of the special interim committee investigating ways to bring Colorado into compliance with EPA Requirements on methane and ozone emissions. The committee appeared to be focusing on oil and gas well leakages. The committee will continue its investigations, analyses, and studies.

Budget for Operations for 2024 discussed and expecting a negative balance of \$817.00 for 2024. This Budget was accepted by vote of attending members. Gov't Relations Account budget for 2024 discussed. Expected balance to be a negative \$700. Budget accepted. Budget for the RMMA Car show discussed for 2024. Proposed budget for expects a positive balance of \$3,360 and was accepted by vote.

Mr. Thompson brought up the next item of discussion which was raising the per person fee for each member club by \$1. Glenn Manes of the Buick club opposed to raising this per person fee and suggested that each club could volunteer additional per person membership fee. Overall discussion leaned to not raising the per person fee per club. Vote on this measure to raise the per person fee was defeated by vote of those present. Samantha asked for an amendment to this vote whereby the participating clubs could volunteer the additional \$1 per member fee as each club sees fit. Motion for this amendment passed.

Next up was the announcement that Samantha is taking over the management of the RMMA/CCCC car show. To help Samantha, Dick T. requested volunteers to take over the sub categories in preparation for the show.

- 1) Marketing; which includes putting notice in the Scoop, Radio ads, and flyers handed out at car shows.
- 2) Sponsorship; which means signing on corporate and/or businesses to sponsor the show.
- 3) Vendors and Displays; signing up food and other vendors for the show and the special interest displays, such as the Firetrucks, and the Vietnam Helicopter display
- 4) Swap meet; getting people to rent space for the swap meet. John Ehrlich volunteered for this.

Dick spoke of the need for maintaining the CCCC web page, asking for help.

Dick then moved on to speaking to the club representatives and asking them what their duties, as the club representatives, are and what they should be doing for the CCCC. To be discussed further at February meeting.

John Ehrlich spoke about he will be contacting Mecum Car Auctions about giving club members a discount.

Dick stated that the Tri-State Car show is on March 9th and 10th and volunteers are needed. Calvin will be designing flyers on what the CCCC is, what we do and benefits and handing out to people at car shows.

Ted Rossi was up next and spoke of the Friends of Collector Cars PAC and that contribution forms are available and the need for another person to help Ted on this.

Dick moved to winding down the meeting with a reminder that there is NOT a January meeting. The next meeting will be on February 7 and is President's night for participating club Presidents. James Nielsen spoke up strongly against the CCCC meetings being moved to different locations. Club officers pointed out that this is done to allow more club representative to at least attend meeting that are close to them; e.g. the Longmont meeting and the Colorado Springs meetings and a meeting location in the south part of the Metro area to offset the Forney Museum which is in north Denver.

Jay Thomas spoke last about the need to keep the numbers attending the "Dust and Shine" at Forney to about 10 people and that children should not be part of those participating in the "Dust and Shine". This is because an unnamed club had over 20 people which included children and the concern about the behavior of the children and concern for display cars being affected negatively. Dick cut her short, asked for the Forney to provide "written" guidelines and suggested that clubs not participate until such written guidelines were in place and presented to the CCCC. Meeting was then adjourned at 9:10 pm. A very long meeting.

(Note that the RMTC is a member of the CCCC, along with several dozen other car clubs, and our members are welcome to attend the CCCC meetings)

We are very fortunate that some members host events on an annual basis. Other events are suggestions, we are looking for hosts, please consider doing that. The Board and other members who have hosted in the past are glad to help you plan your event. A club budget is available for approved event supplies.
