Prime Minister's Letter

Hi All,

Well, VTR 2011 is over. If you missed it, it was a week of fun and Triumphs. The weather was great, although it rained about 2:00 pm on the day of the car show. Other than that it mostly sunny and in the 70's. Great people, great food, beautiful cars, and fantastic Colorado scenery. The hotel and the vendors worked hard to welcome everyone.

With all of that out of the way, I would like to say thanks to Brooks and Terry for working so hard to put on a great show. Neither one truly got to enjoy the fruits of their labor as they both worked all day every day to try and make this enjoyable for you. Thanks also to all the volunteers and committee heads for their hard work and contributions to this event. Thanks also to everyone who came to VTR as you are the ones that make all this possible.

I have to reserve a special thanks to Terrie Sorenson, who sat at the registration desk all day long the entire show. She was the answer person, the go to person, the one that seemed to know everything that was going on. Thanks so much for your help!

With summer winding down, we still have another great event coming up. The Colorado English Motoring Conclave is Sept 17-18. Don't miss this summer's finial big event.

See you at the next event, *Ken Kalin*

Coming Events

Contact Events Coordinator Dave Fain at 303-438-5615 for new events

Thanks to everybody who attended the VTR 2011 in Breckenridge. We have received lots of positive comments from the people who attended from out of state and questions as to whether we will do it again in 2021!

SEPTEMBER

Tuesday, September 6, Board Meeting @ Blue Bonnet Café, Denver — Note date. Details on page 2.

Saturday, September 10, BMCNC Oil Spot Rallye, Loveland — Details on page 9.

Sunday, September 11, Gaggle to Five Guys Burgers & Fries, Longmont — Now that VTR is over with, we will resume our regular gaggle schedule. This is one of my favorite lunch destinations. The name pretty much describes the menu but you can check it out at http://gofiveguys.com/. The burgers are huge and they are generous with the fries, to say the least. This is not health food. They use only freshly cut genuine Idaho potatoes. There is a difference. No RSVP is required.

We will meet at the new Federal Center parking lot, which is located on 2nd just east of Union, about a block south of our now closed meeting place at 6th & Union at 9:30 AM and leave at 10:00. We will proceed to Longmont via a TBD route and arrive when the restaurant opens at 11:00 on the NE corner of Main & 17th.

Saturday, September 17. Ride The Rockies Tour — Meet at Oak Park in Arvada at 8:00 AM. The tour will leave the conclave site parking lot, wind through the back roads into the hills and as always end up at a "secret' location for lunch. And yes, there will be at least one Beatles Tie Breaker Question.

Saturday, September 17, Hughes' Conclave Party — Conclave cookout at Terry & Marietta Hughes' house at 7750 Quitman St. in Westminster. Burgers and brats will be provided. Bring side dishes and your own adult beverages. RSVP at 303-428-5291.

Sunday, September 18, 28th Annual Colorado English Motoring Conclave — Once again the City of Arvada has offered Oak Park for the Conclave. If you have attended the Conclave in the past, you know what a great day this can be. With your help, we can have well over 500 British Cars and Bikes in attendance. Bring a picnic lunch or buy food and soft drinks from the vendors, and have a picnic under the trees. Registration begins at 8:00 am, voting ends at 12:30 pm.

Tuesday, September 20, General Meeting at Piccolo's — Details on page 2.

Friday-Sunday, September 23-25, 21st Rio Grande Valley Rendevous All British Car Meet, Taos, NM — This 3-day event will include a car show, road rally, tours and a banquet with awards, located in the beautiful, mountains of northern New Mexico! See www.BAOA.org for details.

OCTOBER

Sunday, October 2, Annual Fall Breakfast at Brad & Liz Reed's house, Littleton — This is a pot luck event. Bring your favorite breakfast dish to share. Coffee will be provided and we will probably go for a short drive in the nearby foothills afterwards. Details next month. This is the October gaggle.

Monday, October 3, Board meeting at Blue Bonnet Café — Details on page 2.

Tuesday, October 18, Monthly Meeting at Piccolo's — Details on page 2.

Why was the six-cylinder engine from the Triumph GT6 never fitted into the nearly identical engine bay of the Spitfire? *(Answer on page 7)*

Moonlight Drive

By Gordon Kenney

On Saturday evening, August 6th, 35 Triumph Club members and several guests gathered at the Foxfield home of Gordon and Shirley Kenney for their annual "Moonlight Drive." It was a beautiful evening. It has become a tradition to have rain during this event, but only a few light sprinkles fell this year.

The food at the pot-luck was especially generous this year. Several members had their picture taken with their car for display on the photo board at VTR.

No actual drive was taken, but the conversation lasted till about 10:00 pm. A good time was had by all.

Thank you, Gordon and Shirley for a wonderful dinner and party again this year!

Photos (T to B): Club flags flying outside Gordon and Shirley's home; the Triumph line-up in fron of the Kenney garage; Brooks Turner, Patrick and Vivienne Huckels, and Nancy Vogel enjoying dinner; the dinner rush was on and, with the wide array of food this year, it was hard to choose between dishes—Gordon and Shirley provided a ham and turkey.

Highland Games Car Show

By Brooks Turner

A good time was had by all at the Scottish Highlands Games Car Show on Sunday, August 14th. This year the Rolls Royce Club led all 42 cars in.

We had a very nice mix of cars. The 5280 Mini club showed up for the first time. We also had three Range Rovers; one of them being a camper special. The most unusual car we had was a Scottish-made car: a 1971 Hillman Imp. I had never seen one before.

The Clan Chieftain Ribbon:

Julian Dufour - 1971 Hillman Imp

The Best of Show:

Kurt Furger - 1926 Silver Spur Rolls Royce

The Best Placing Triumph went to our very own club member Sharon Robinson with her blue Herald. Sharon Placed 3rd in Participants Choice.

We have so much fun at this little British Car Show that will do it again next year!

Thanks, Brooks, for running this show every year!

Trivia Answer

The prototype GT6 developed by Michelotti was called the "Spitfire GT." Although fininshing 1st in class and 13th overall at Le Mans in 1965, the production body was too heavy for the Spitfire's 1100 cc 4. Although the 2L 6 was fitted to the GT, it was never used in the Spitfire because it was felt it might siphon sales from the more expensive TR6.

Club News

A Letter to RMTC

(Editor's note: letter received just before the newsletter deadline and added for your info.)

Dear Friends and Family,

A few weeks ago I notified you that an illness Judy had contracted as evidenced by tiredness and some dizzyness had been diagnosed as a bleeding ulcer which was treated with antibiotics and was to be monitored after a month with a followup endoscopy. It seems that there was some suspicious tissue present which after a third endoscopy procedure, pathology, and a CAT scan was identified as a Non-Hodgkins lymphoma.

We met with the oncologist today for the definitive diagnosis, and prognosis. The good news is that the lymphoma is "very curable", is "a very good prognosis", and "we will get you through this" all direct quotes spoken confidently without hesitation or qualification. At this time it is believed to be a Stage 1E diagnosis which means the lymphoma is confined to one area or organ and is believed not to have spread. We are very encouraged. There will be additional tests, scans, and exams along the way to confirm and monitor this finding.

Judy will start chemotherapy on Monday, a course of chemo once every three weeks for six cycles, making a total of eighteen weeks which will bring us to the middle of January.

So here we are. Judy is much relieved, needless to say, after meeting with the oncologist, and is in a good frame of mind as she begins this journey, which will not be either easy or pleasant, but with the prospect of remission and a cure at the end. She has a wonderful support group of friends here in Denver, one of whom was with us today, so there will be plenty of company for her in her journey.

Feel free to call or write, but keep her in your thoughts and prayers if you will.

And.....be well

Rod Tomkins

Board Meeting, August 1, 2011 @ Blue Bonnet Cafe

A quorum of 5 Board members was not met as only 4 members were present. Therefore, no club business could be conducted. The meeting was adjourned at 7:30 pm.

Special VTR Volunteers

by Steve Hart

If you have not met RMTC member and Monument resident Marian Taylor, you should make a point to do so the next time she and husband Jim attend a club event. When I asked the club members attending VTR 2011 to volunteer at least a few hours of their time, Marian and Jim were the first to step up. Although signed up for most of the week's events, they found time to help out at the regalia table, the funkhana, and the autocross (that I know of). In addition, when I put out a call for photos of the events to all RMTC attendees, Marian was the only one who remembered to send me, not just a few, but 40 photos of everything from the registration table to the BBQ dinner to the fun rallye that she and Jim had taken. After VTR, when Marian was asked if one of her photos could be used in the Minneapolis club's newsletter, she agreed without hesitation.

After thoroughly enjoying their run of the funkhana, Marian noticed that MG Club member Wade Tucker, whose son Travis designed and ran the event, was having trouble walking and bending over. So, she and Jim stayed after their run to "help out" . . . for 5 hours! Two days later, while Jim was driving and working a corner at the autocross, Marian saw that help was needed handing out and collecting loaner helmets (helmets were needed fpr all drivers and passengers). So, she began helping other volunteers and stayed at "her post" all day.

Thank you, Marian and Jim!

Photos (T to B): Marian cheering on an all-male Funkhana crew in the "Jump the Broomstick and Kiss" event; Jim in the Taylor family's '75 TR6 at the Autocross start line.
